HUNS MUST DECIDE ON PEACE IN 15 DAYS

Treaty Will Probably Be Formally Presented on Monday or Tuesday

ALL ARGUMENTS MUST BE MADE IN WRITING

Only Two Meetings Between Germans and Allies Are Scheduled

PARIS, May 2.—The Germans will be given a maximum of 15 days after the presentation of the peace treaty to finally accept or reject the peace terms, it was learned from an authoritative source today.

While the date of presentation has not yet been definitely determined it is expected to be Monday or Tuesday with the latter likeliest.

BY FRED S. FERGUSON  
(United Press Staff Correspondent)

There will be no oral discussion between the allied and German commissions. During the 15 days allotted to them the enemy representatives may present propositions to the Allies in writing. Replies will be made in the same way.

If the Germans present a proposal during the last few days of the period the Allies will have the right to exceed the 15 day limit in making a reply. But the Germans must complete the discussion among themselves, as well as at Weimar, and present all proposals within the time limit. These details of procedure have been definitely decided upon.

In addition it has been decided the treaty will be handed to the Germans in the presence of plenipotentiaries of all the Allied nations. Those nations which merely broke off relations with Germany will not be represented.

Under the present arrangements there will be just two meetings at Versailles—at which presentation of the treaty and its signing will take place. The remainder of the procedure will be limited to exchange of written communications between Versailles and Paris.

Jules Cambon, head of the Allied credentials committee, in yesterday afternoon's meeting is understood to have expressed hope that the meeting would "lead to a lasting peace."

DANZIG, SAAR VALLEY, SILESIA GREAT ENEMY PEACE PROBLEM  
BY JOHN GRAUDENZ  
(United Press Staff Correspondent)

BERLIN, April 28. (By courier to Paris, May 2.)—The most difficult peace problems from a German standpoint are disposition of Danzig, the Saar Valley and upper Silesia.

This declaration was made today by Minister Giesbert, head of the port and telegraph portfolio in the cabinet, a member of the German peace delegation.

"Danzig should become a free port under German sovereignty but should be controlled internationally," said Giesbert. "Upper Silesia is necessary to supply eastern Germany. Loss of the Saar district would cripple Germany. It would mean starvation or emigration of 20,000,000 German workmen which Germany would be unable to feed."

"It is Marshal Foch's policy to separate northern from southern Germany in order to diminish the German population, fearing the 70,000,000 Germans will start a new war. But his fear of militarism or Kaiserism is groundless. France has no need for such securities because with a strong Poland, Belgium and Alsace-Lorraine she has three strong machine guns pointed at Germany's head."

"The second would be a guarantee by America and England to protect France. The third would be for us to sign a peace treaty designed to render Germany helpless, economically and industrially. The German government then certainly would be overthrown and the resultant starvation would be the end."

Cleveland Bars Red Flag As 55 Arrested in Riot Are Booked For Hearing

CLEVELAND, Ohio, May 2.—Fifty-five persons arrested during yesterday's rioting here were booked for hearings in police court today. In the rioting, which resulted from May Day processions of radicals, one man was killed and more than 200 injured, including 17 policemen. In all 134 arrests were made.

Police Chief Smith announced that the red flag would never again be permitted in any parade in Cleveland.

Police today held C. E. Ruthenberg responsible for the demonstration. Ruthenberg, recently released from the Canton, Ohio, workhouse, where he served a term for disloyal agitation during the war, organized the red flag parade, police said. The authorities today were consulting as to what charges would be preferred against Ruthenberg.

PARIS, May 2.—Casualties resulting from yesterday's May Day riots were officially announced today as one gendarme killed and 250 wounded and about 100 civilians wounded. Fifty of the gendarmes were said to be seriously injured.

Deputy Jouhaux, labor leader, was among the wounded.

Private G. H. Harrison of the American air service was wounded in the back by a stray bullet. He was reported today to be "resting easily."

Socialist and labor leaders today placed the entire responsibility for the disturbances on the government. They declared the demonstrators had no intention of doing more than quietly parading through the streets of the idle capital. Conflict with the police, they said, was the result of "the government flaunting its military power in the faces of the people in every downtown square."

They also declared the gendarmes' interference did more to foster the "growing spirit of revolt than any sort of parade could have done, no matter how many red flags were waved, revolutionary songs sung and fiery speeches made."

All Oil Interests To Be Treated Alike—Carranza

MEXICO CITY, May 1.—In considering legislation to control oil interests operating in Mexico, it is the object of the Mexican government to treat all interests exactly alike, President Carranza told congress tonight.

Carranza's address at the opening of the congress made no other reference to foreign relations. Sensational reports published here that war vessels had arrived at Tampico to neutralize that port were not touched upon. After dealing with the nominations to the Supreme court and method of governing Mexico City and the federal district, Carranza took up the oil question.

Passage of a law governing the production of petroleum and mineral combustibles is the urgent pressing problem of the day, he said.

25 Bombs Known to Have Been Sent Through Mails

NEW YORK, May 2.—Twenty-five bombs are known today to have been placed in the mails addressed to financiers and government officials in all parts of the country. The total was raised to 25 with interception at Salt Lake City of infernal machines addressed to Senator King and Frank K. Neber, prosecutor in the I. W. W. cases in Chicago. The bombs found at Salt Lake are believed to be those which were remailed from Gimbel Brothers' Department Store when they were returned for insufficient postage. Like all the others, they had counterfeited Gimbel wrappers.

300,000 Yankee Soldiers To Come Home in May

PARIS, May 2.—The American expeditionary force will be reduced solely to the army of occupation along the Rhine as rapidly as possible, it was announced today.

Three hundred thousand American soldiers will be sent home during May and a like number in June. After the first of July the use of the French ports will be abandoned, American-controlled railways will be returned to France and American military police withdrawn. Antwerp will then become the American supply base under command of Brig. W. D. Connor. Communication hereafter will be through Belgium.

Balfour Denies Being In State To Get Oil Fields

SAN FRANCISCO, May 2.—Sir Robert Balfour of Balfour, Guthrie & Company, today expressed surprise at a declaration by Senator James D. Phelan that Balfour is in California with a view to seeking control of California oil fields for British interests. He said he knows nothing about such a plan and was in Kern county merely as a tourist.

Senator Phelan, however, telegraphed Secretary of the Interior Lane that he had information indicating British interests are seeking to gain control of the oil fields through purchase of stock in a number of companies. He asked American action to protect American government interests, holding that with the age of the motorship approaching the nation controlling oil supply will have a commercial advantage.

Soldiers, Sailors Protest Police Riding them Down

NEW YORK, May 2.—Mayor Hylan may receive a delegation of sailors today carrying a protest against action of the police in riding down soldiers and sailors near Madison Square Garden last night.

Mounted police charged the uniformed men when the latter congregated in the street, apparently with the intention of marching on Madison Square Garden, where a Tom Mooney protest meeting was in progress. A number of the men were knocked down and complaint was made to newspaper reporters by service men that convalescent wounded who had nothing to do with the trouble were clubbed.

This clash ended a May Day of scattered disorder, the largest of which was at the office of the New York Call, Socialist daily, where police reserves were called. Soldiers raided the office in the mistaken belief that a Bolshevik meeting was going on there.

REPORT AMERICANS SLAIN IS UNTRUE BOMB WRECKS OFFICE OF EASTERN BURGESS

LONDON, May 2.—A report published in a London newspaper that the Bolsheviks had captured Shenkursk and decapitated sixty American prisoners with axes was declared by both the British war office and American headquarters today to be untrue.

BROWNSVILLE, Pa., May 2.—The Brownsville municipal building was badly damaged and the office of Burgess Charles H. Storey was wrecked early today when a bomb placed under the Burgess' office exploded. No one was injured.

ARGUMENT IN WOODMAN'S TRIAL ON TODAY

Case Is Expected to Reach Jury Probably Late This Afternoon

WOOLWINE MAKING BATTLE OF CAREER

Judge Will Charge Jury As Soon As Prosecution Closes Speech

LOS ANGELES, May 2.—Noon adjournment of the trial of Mayor Woodman today saw District Attorney Woolwine still in the midst of a striking argument seeking conviction of the mayor. It had been expected that arguments would be over by noon and the case would be submitted immediately after the opening of the afternoon session.

Indications were that Woolwine would speak at least half an hour during the afternoon session. Another half hour was allotted to Superior Judge Willis for instruction of the jury. A verdict tonight was expected by both sides.

Attorneys' arguments were spirited. LeCompte Davis, for the defense, bitterly condemned the testimony of Horace Karr, declaring that a man whose code of morals would permit him to bribe a mayor was not to be trusted in his testimony.

Capt. John D. Fredericks, also for the defense, spoke briefly and a bit confidentially to the jury.

District Attorney Woolwine, many declared, made one of the supreme efforts of his career in his closing argument. He dwelt heavily on Karr's testimony, declaring "it seems to be God's will that some of those persons who would despoil a community come forward and tell the story."

WOMAN LOSES \$20,000 WORTH OF FINE LINEN

LOS ANGELES, May 2.—Police today sought two clever thieves, who late yesterday drove away with an automobile and \$20,000 worth of fine linens, owned by Mrs. Rosa Joseph, New York linen importer. Mrs. Joseph was interviewing a wealthy customer here when the thieves, who are believed to have followed her from New York, escaped with the loot.

JOHNSON WILL SPEAK ON LEAGUE OF NATIONS

WASHINGTON, May 2.—Senator Hiram Johnson of California is preparing to break his long silence regarding the League of Nations with a statement in which he will go into details regarding the various provisions of the covenant as adopted at Paris. It is understood his opposition to it will be based on the claim that it is un-American, violates American sovereignty and therefore cannot be accepted by any who want America's position as a free nation preserved.

WILSON REGARDS LABOR PROGRAM GREAT STEP

WASHINGTON, May 2.—President Wilson regards the labor problem adopted by the Paris conference as "one of the most important achievements of the new day in which the instruments of labor are to be intelligently safeguarded and promoted," he called Secretary Tamm today.

"Within the multitude of other interests this great step forward is apt to be overlooked and yet no other central thing that has been done will help more to stabilize positions of labor throughout the world and ultimately relieve the unhappy conditions which in too many places have prevailed," the cable added.

"Personally, I regard this as one of the most gratifying achievements of the conference."

TWO L. A. DETECTIVES HURT IN AUTO CRASH

SAN DIEGO, May 2.—Lieutenant of Detectives J. B. Chapman and Detective Ben McCann of the Los Angeles police department were severely injured late last night when an auto in which they were driving to San Diego overturned on the highway near Oceanside.

The two officers were brought in to the police emergency hospital here and their injuries treated. Chapman sustained bruises and possible internal injuries. McCann had scalp wounds and bruises. The accident occurred, the officers state, when a tire blew out while the auto was making a turn.

BAKERS AT SPOKANE GET NON UNION HELP

SPOKANE, Wash., May 2.—Spokane was breaking bread at meals as usual today, the big bakeries which refused to sign the increased scale employing non-union help and office employees to contest the strike of bakers. They declare they will operate on the open shop plan.

Nine bakeries have signed the scale of \$4 a week increase and elimination of Sunday work.

The threatened strike of teamsters and chauffeurs loomed ominously today.

CITY FALLS BEHIND IN PLEDGES DAILY

Embarrassing Questions to Be Shot at Non Buyers By 25 Soldiers

VICTORY LOAN BUTTON NOW BADGE OF HONOR

Only One More Week For Campaign; Sales Total Only \$401,700

Reports from the banks showed the following totals at the close of business last night:

Banks	Quota	Subsc'd.	Pct.
First Nat'l...	\$ 744,950	\$248,700	33.38
O. C. T. & S.	159,950	54,400	34.01
Calif. Nat'l...	98,300	50,500	51.37
F. & M. Sav.	68,850	48,100	69.86
Totals	\$1,072,050	\$401,700	

FACE to face with a condition and not a theory, County Chairman R. L. Bisby and City Chairman John G. Mitchell have organized twenty-five returned heroes into a committee and in the immediate future they are going to turn those twenty-five boys loose in this city with ammunition to shoot straight at the non-bond buyers.

Embarrassing questions will be shot at the slackers by the boys who went overseas and offered their lives in protection of the homes of the people who today are refusing to lend their money to the government for the purpose of bringing the boys over there home.

The money is also needed in reconstructing those thousands of brave lads who gave an arm, a leg, the sight of one or both eyes—the boys who wallowed in mud, fought Huns and cooties and suffered privations innumerable and returned home physical wrecks to find that their home people are not back of the Victory Loan with the same enthusiastic support that the boys gave in the fighting lines and brought a glorious victory to the unstained flag of their native land.

"I offered my all for the protection of my country—what have you done?" What Can Slacker Say?

What can a non-buyer say to a question like that pronounced by a man who has gone through the experiences the Yanks went through over there?

Can he have any answer that will offer a legitimate excuse? Can the man who is earning a good salary—the man who stayed at home and continued to enjoy the comforts of home and to draw his pay, offer any answer that will excuse him from buying a \$50 or \$100 bond? Is there any excuse that he can offer as entailing a hardship on him that will stand the test of comparison between what he may have to deny himself and what the boys sacrificed?

The Victory Loan button is a badge of honor. Those twenty-five returned soldiers are going out into the highways and byways, and the man who does not flash one of those buttons is going to be asked why he is not wearing one.

The Victory Bond issue has come to a show-down. Santa Ana is falling in her duty to her government and to her boys. She is over \$19,000 per day behind the necessary daily average throughout the period of the eighteen-day campaign to put her over the top. Forty-four per cent of the time has passed. 37 per cent of her quota has been subscribed. That's bad. It doesn't speak well for the loyalty and patriotism of this community.

Must Buy Heavily

In order to overcome the unsubscribed portion of the quota before the expiration of the time limit, it will be necessary for the people of this city to buy an average of \$83,793 worth of bonds for every day of the remaining eight days, counting today.

The daily average of purchases so far in the campaign has been \$40,170. The daily average should have been \$59,558.

The sales up to last night totalled

REPORT ITALIANS WAITING FOR INVITATION TO RETURN

BY CARL D. GROAT

(United Press Staff Correspondent)

PARIS, May 2.—Italian representatives remaining in Paris were circulating reports today that their peace delegates will not return to Paris unless they are specifically invited by the other Allies.

According to information from authoritative sources it is doubtful that such an invitation will be extended although some "quiet" efforts may be made to induce the Italians to come to Paris to participate in signing the peace treaty with Germany.

The claim is made by Italians here that the pact of London prevents any peace being signed without them. When this theory was advanced during the conference which preceded the Italian withdrawal it was pointed out that the publication of the pact preventing a "separate peace" could be interpreted as recognizing an ally's military menace. Signing of the armistice was held to have removed

SANTA ANA MUCH BEHIND BOND SCHEDULE

Twenty-Five Soldier Boys Will Be Put on Trail of Loan Slackers

(Continued from Page One)

\$401,700. The quota is \$1,072,050.

The campaign closes on May 10th—that is just one week from tomorrow.

Come across; get a button, or explain to the committee of fighting men why a Victory Loan button does not ornament the lapel of your coat.

The banks of the city will be open tomorrow night from 7 to 9 o'clock to give opportunity for those employed during the day to make applications for bonds.

The big train with war exhibits will be here Monday evening from 7:30 to 10:30. Men wounded in the overseas fighting will be among the speakers.

Tuesday night a truck train meeting will be held at Liberty Park at 7:30.

Balloon Meetings Successful

Lieut. Baldwin commanding the 37th balloon company which has added to the life of the campaign for the last two days this morning loaded his company and equipment into the big army trucks and left here at noon for Arcadia.

It is a company of mighty fine boys and the people of this city will long remember them for the gentlemanly manner in which they conducted themselves and the courtesies they extended to visitors to the field.

Yesterday was a happy day for the men—it was pay day and about \$2500 was distributed by the paymaster who made a special trip here to place the wealth in the hands of the boys.

Col. Mygatt was here, coming over from Camp Arcadia in an aeroplane piloted by Harry Ashe. The distinguished visitor and his pilot came nearer meeting with a mishap in landing on the field at Poly grounds. The plane passed within six feet of one of the group of buildings as it soared to the ground.

Bond sales during the afternoon amounted to \$6950, of which sum Miss Harriet Owens sold \$6450. Miss Owens was indefatigable in her efforts to place the notes. She wanted to ride in the basket of the balloon, and she did so. With Lieut. Baldwin as pilot, she sailed away into the heavens to a height of 2000 feet. She was delighted and declared that she never experienced such pleasure before in her life.

Conversed By Phone

While she was in the basket with the balloon anchored at 2000 feet her mother and sister and Misses Grace Smiley, Lillian Humphrey, Bernice Bull, Flora McFadden, Veronica Merrick and Holly Lash conversed with her over the phone.

Charlotte Moulton, of El Toro, 9 years of age, had the honor of riding in the basket also, and she was taken up 1500 feet, with Lieut. Baldwin in the basket with her. Her mother talked to her by phone. The ride came as a reward for the purchase by her mother for her of the largest single bond during the afternoon.

The rides of the afternoon were extra special concessions authorized by Col. Mygatt. Originally it was intended only to take up the party buying the largest amount and the party making the largest sales during the two days. R. L. Bisby took the chance on making the inducements for each day and made good.

Simulated Attack

A simulated attack on the balloon by an aeroplane was one of the features of the afternoon exhibitions.

Lieut. Boxwell made an altitude flight, going to 4000 feet. The balloon was under inflated and in order for him to attain altitude he had to throw over some of the sand ballast.

About 7 o'clock the balloon was deflated, rolled up and stored away for the departure today.

The dance at Elk's hall last night closed the activities of the balloon company here. There was a large number out to enjoy the evening and Santa Ana women responded in numbers to assist in showing the visitors a good time. Many friendships were formed and there is but little doubt that visits to Arcadia by Santa Anans will be more frequent than they have been in the past.

Officers with the company were Lieuts. Baldwin, Riley, Burdick and Boxell.

## CHILDREN PRESENT PROGRAM AT CHURCH

TALBERT, May 2—A children's day program was given last Sunday evening at the local church at the regular preaching hour and the songs and recitations included in the interesting program were especially well rendered. A good crowd was in attendance for this special occasion.

Mrs. William Knighton of Pasadena and Mrs. Lee of Seattle, Wash., who were guests for a week of their daughter and sister, Mrs. L. E. Barry, left for their homes Tuesday of this week.

Mr. and Mrs. John McMillan are the parents of a son born Sunday, April 27, at the Santa Ana Hospital. The little fellow has been named Lloyd.

ing Miss Muriel McPhee, was another star with her songs and dances. In fact, some declared she was almost the "whole show." The two previous evenings Miss Hendrie had been a member of the chorus. Marshall Harolds was a new end man last night, succeeding Joe Burke.

Rufus K. Love, who directed the production, left Santa Ana today, carrying with him the memory of many happy days spent here and the many friendships won. He asked the Register to express his personal thanks to W. W. (Best Ever) Wassner, Elks' secretary, and everyone who took part in the show for the many courtesies shown him while here.

## TWO MEN ENLISTING IN U. S. AVIATION

Two Santa Anans, Horace Lee and George Morris, left today for March Field to take examinations for enlistment in the aviation department of the United States army. They became interested through the flying done by Lieutenant E. S. Norby and Sergeant Shirley Brush, who have been here with an aeroplane upon a recruiting expedition. The lieutenant and sergeant left by plane about noon today for Long Beach.

"There are a number of young men here who have become interested in the work, and they or anyone else who wants to enlist in aviation can apply at March Field or by writing to the recruiting office at March Field can secure whatever information is wanted. All a man needs is a normal physical make-up and some mechanical knowledge. Under the new plan, enlisted men get a chance to learn to fly."

## STRIKING ADDRESS BY GEN. MANAGER OF THE EDISON CO.

Takes For His Subject "The  
"Man on the Street," and  
Handles It Uniquely

SAN DIEGO, Cal., May 1.—At this afternoon's session of the Pacific Coast Section of the National Electric Light Association, Mr. S. H. Kennedy, general agent Southern California Edison company, delivered a striking address, entitled, "The Man in the Street." Excerpts from his discussion follow:

"If there is any class of business which is at all times on trial before the great court of Public Opinion it is that of the Public Utility Corporation."

"The Utility Company cannot select its jurors as they are selected by the opposing attorneys in a trial in court. They are selected by the destiny that groups men together in cities and communities."

"It is probably safe to say that three fourths of the mistakes that the Public Utility man makes in his intercourse with the public are made because he does not really know the things he thinks he knows."

"The Man in the Street is a many sided individual, but in the main he will be found reasonable tractable and not unfriendly."

"The Man in the Street is an Impressionist, and may form his opinion of the company by the manner in which it maintains its property."

"A pleasant, cheerful office is an invitation to come again and no one realizes it more than the Man in the Street. An open office invites him to himself that an invitation to inspect implies there is nothing to conceal."

"The one thing that is most frequently overlooked in connection with the electrical business is that the company is distributing an intangible commodity the purchaser does not see what he is buying as is the case with ordinary merchandise."

"The Man in the Street will study conditions and reach his own conclusions about your business."

"With a proper understanding of public regulation, the Man in the Street has a better grasp of the economic law of natural monopoly."

"The more he learns regarding public regulation the more he is liable to esteem the Utility Commission, respect the company, and be satisfied that his individual interests are fully protected."

"The Man in the Street dislikes to be herded. He likes to be considered as an individual and if he is known by his name, he likes it better still."

"A complaint is an opportunity to make a friend and the opportunity is with the individual in particular and not with the class of complaint in general."

"A kindly and courteous manner is not only the sign and mark of a self-respecting man, but it is to words what oil is to machinery in making them move effectively to their purpose."

"The load curve ought to be a straight line before the electrical consumption of any community has reached the saturation point."

"The point upon which this whole question of business development hangs is the ability to let the people know—in other words, to create the desire."

"We need men who have a thorough, practical and intimate knowledge of the possibilities in the use of electric service."

"The problem as to the future of the Public Utility Company is one which occupies considerable attention in the public mind today, and is one which is of vital importance to the Utility Company and the public."

"This is an age of frankness, directness and simplicity. If you really want more stockholders among your customers, you must go after them candidly and openly."

"Dealing with the Man in the Street is a problem in personality, and it is through the point of contact, wherever it may be, that the favorable impressions are created that ultimately effect the prosperity of the company."

"The confidence and good will of the Man in the Street may be the great element which gives stability to the company."

## GAS IN THE STOMACH IS DANGEROUS

Recommends Daily Use of Magnesia to Overcome Trouble Caused by Fermenting Food and Acid Indigestion

Gas and wind in the stomach accompanied by that full, bloated feeling after eating are almost certain evidence of the presence of excessive hydrochloric acid in the stomach, creating so-called "acid indigestion."

Acid stomachs are dangerous because too much acid irritates the delicate lining of the stomach, often leading to gastritis accompanied by serious stomach ulcers. Food ferments and sours, creating the distressing gas which distends the stomach and hampers the normal functions of the vital internal organs, often affecting the heart.

It is the worst of folly to neglect such a serious condition or to treat with ordinary digestive aids which have no neutralizing effect on the stomach acids. Instead get from any druggist a few ounces of Bismarck Magnesia and take a teaspoonful in a quarter glass of water right after eating. This will drive the gas, wind and bloated right out of the body, sweeten the stomach, neutralize the excess acid and prevent its formation and thus is no occasion for worry. Bismarck

## CALUMET BAKING POWDER

"BEST BY TEST"

The ideal baking powder wherever baking powder is needed—insures greatest baking savings and guarantees better baking results. In doughnuts—in any baking—you are assured tasty, tender, evenly raised goodies that are thoroughly wholesome. Used by more housewives than any other. Double the usual leavening strength.

Made in the world's largest, finest, most sanitary baking powder factory.

### CALUMET DOUGHNUTS

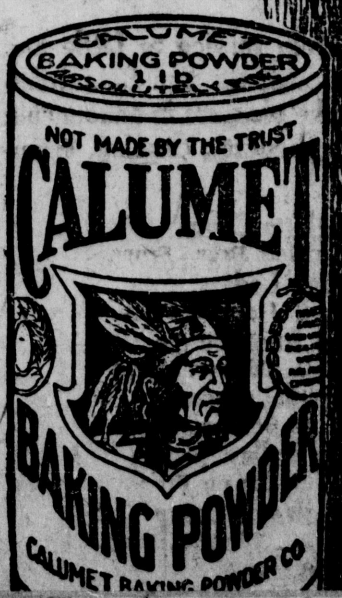

1/2 Cup sugar 1 Egg 2 1/2 Level teaspoons Cal-  
3 Level teaspoons shortening umet Baking Powder  
1 Level teaspoon salt 2 1/2 Level cups flour  
1/2 Cup milk or water Lemon and mace flavor

How to make them—Cream sugar and shortening together, add well beaten egg. Then add milk. Next mix in flour and baking powder well sifted together. Work dough as little as possible. Turn out on well floured board and roll out quarter inch thick; cut with doughnut cutter and fry in boiling hot fat.

This is one of the many famous Calumet recipes, furnishing America's tables with more delicious bakings. Cut out and paste in your recipe book for future reference.

### Observe This

When you buy a pound of Calumet you get a full pound—16 oz. Some high priced baking powders are now being put on the market in 12-oz. cans instead of a pound. Be sure you are getting a pound when you want it. No short weights with Calumet.

## THE TELEPHONE SITUATION

The most outrageous thing that has  
occurred in Orange county for many  
months was the abolition of  
free telephone tolls between the ex-  
changes that hitherto have had free  
tolls.

The telephone company is virtuously  
saying that Postmaster General  
Burleson is responsible for it. It pub-  
licly washes its hands of the affair.  
If one's memory was incapable of go-  
ing back for more than a few weeks,  
the splash of the hand-washing might  
carry some spray of argument.

It is only a few months ago that  
the Pacific Telephone and Telegraph  
Company, in petitioning the State  
Railroad Commission for permission  
to take over the Home company's  
property and business in Orange  
county, asked for the abolition of free  
tolls. The mere suggestion brought  
forth a storm of protest, as well it  
should. The state commission took  
the ground that a telephone subscrib-  
er should have free connections with  
the telephones of his community, and  
Commissioner Edgerton in his hear-  
ing here declared that for telephone  
purposes two or more cities might be  
so closely linked together in interests  
as to be one community, so much so  
that they should be served from one  
exchange, or should be given free  
tolls in case they had two or more  
exchanges.

Relying upon plain justice, the peo-  
ple of Garden Grove, Santa Ana,  
Smytheville, Orange, Tustin, El Modena,  
Villa Park, Orange, Fullerton,  
Buena Park, Placentia, Cypress, and  
several other localities of this county  
awaited the decision of the state com-  
mission. It was not believed here that  
the commission would ever grant the  
unreasonable demand of the telephone  
company. The petition had not been  
granted up to the time that the gov-  
ernment took over the telephone sys-  
tems. The state commission declared  
that the federal authorities had no  
right to fix rates. While that ques-  
tion may yet be decided in favor of  
state control of rates, the telephone  
companies acknowledge federal con-  
trol and are using every effort to put  
into effect the rules and regulations  
and the rates established by the post-  
master general, and that the rules,  
regulations and rates established by  
the postmaster general are the rules,  
regulations and rates desired by the  
telephone companies is very obvious.

Burleson's control of telegraph and  
telephone lines has resulted in a good  
many changes being made that were,  
so far as our cursory investigation  
discloses, all toward the curtailment  
of the usefulness of the companies.  
Instead of increasing the value of  
these companies to the public, rates  
have been increased and accommoda-  
tions cut down. You pay more and get  
less.

No one has any doubt but that  
Burleson's order was based upon the  
suggestion of telephone men. As a  
method of squeezing more money out  
of the public, the abolition of free  
tolls all over the country has been  
urged by the telephone companies for  
a long time. There is even some pos-  
sibility that far-sighted telephone men  
urged the establishment of more ex-  
changes than were really necessary  
to serve the public, so that when the  
day did arrive for making a charge  
between all exchanges, the lay of the  
ground would be such as to furnish  
the greatest possible revenue to the  
companies.

"The government did it; we didn't,"  
is the explanation given by the tele-  
phone companies, now, and when the  
telephone companies pass back into  
private control, as they certainly will  
if the present pace of eliminating  
elements of usefulness is kept up, one  
big financial thing for which the tele-  
phone companies have been fighting  
all over the country will have been  
secured under the government's  
cloak.

That the telephone company was  
entitled to some raises in rates is ad-  
mitted, for it has had to meet an in-  
creased cost in expenses, but a  
change in charges that destroys the  
usefulness of a large number of tele-  
phones is a change that is not based  
on reason or fair play.

The present situation in Orange  
county is not last. It is inconceivable  
that communities so closely con-  
nected as are many of the commu-  
nities of Orange county shall continue  
to pay tolls. The absurdity of the  
situation is proven by the fact that

most highly developed land in the  
world, closely settled, should be with-  
out telephone service is unthinkable.

Protests, of course, must be regis-  
tered. Every possible means should  
be used, and used at once, to rid us  
of the outrage. Whether or not the  
outcome will be a re-establishment of  
free tolls, perhaps not so extensive as  
we have had, or the consolidation of  
some of the exchanges into one, are  
matters of conjecture. Every time a  
telephone is taken out the value of  
the telephone to the subscriber who  
keeps his 'phone is lessened. The  
sooner action remedying the present  
situation is secured, the better it will  
be for all concerned.

## SALUTE THE FLAG

According to one observing young  
soldier lately returned from France,  
the people of this country are already  
becoming careless in the matter of  
respectful salutation to the flag when  
it goes by.

It is a great pity if this is true.  
That flag means more today than ever  
before since first it swept the breeze,  
and that must be a self-centered and  
a selfish heart which can turn back  
so soon to its own immediate small  
concerns and forget what the flag  
said to every one of us less than a  
year ago. It is only six months since  
American lads were dying under it.

Perhaps it is only the reversion to  
the old, busy indifference which is  
like some family affection, strong and  
deep, but seldom manifested in kiss  
or loving word.

But after all, love, whether it be  
domestic or patriotic, is heightened  
and sometimes kept alive by the sim-  
ple observance of loving salutation,  
the outward manifestation of the  
things felt within the heart.

## HOOVER IN PARIS

Herbert Hoover is in Berlin with  
a goodly company of assistants, and  
is going about the business of feed-  
ing that haughty city with his usual  
straightforward American methods.

He recently issued a statement  
which is worth quoting as an assur-  
ance to Americans at home that at  
least one phase of the work for  
which they are making sacrifices is  
proceeding in a way to justify their  
self-denial.

Mr. Hoover's warning reads as fol-  
lows:

"America has no desire to restrict  
itself in order that its grain ships  
may be sunk in the Elba and its fat  
kings may disappear in the riots of a  
few thousand Spartans, or that its  
potatoes shall rot in warehouses be-  
cause they cannot be transported.  
America has the good-will to save all  
from starvation, provided there is as-  
surance of a state of order in Ger-  
many. Otherwise there will be no  
more supplies."

In commenting on this message, a  
leading Berlin daily remarks sadly:  
"This is Mr. Hoover's ultimatum,  
which just now for Germany is of  
equal importance with the peace con-  
ditions of the Entente." And because  
they know he means it, they will ac-  
cept it with equal docility.

## To Build Homes

San Bernardino Sun

Because he says the "lack of homes  
is strangling Detroit," the mayor of  
that thriving metropolis makes a dis-  
tinctly new proposal. He is asking  
for a bond issue of \$5,000,000, with  
which he wants to build something  
like 5000 homes at a cost of \$1000  
each. Perhaps the ratio is not exact  
and the homes may cost \$1500 to \$2000  
each, reducing the number that can be  
built out of the bond issue, but that is  
relatively unimportant. The big sug-  
gestion is the plan to make it possible  
for several thousand workers to be-  
come owners of their own homes, for  
the plan is to sell the houses on easy  
terms to the Detroit people employed  
in its factories who wish to avail them-  
selves of the opportunity.

It's the first time we ever heard of  
Mayor Couzens, but we'll register the  
guess that he is a first class anti-  
Bolshevist. Nothing in the world  
would make it more difficult for the  
doctrines of Lenin and Trotsky to get  
a foothold than for every family to  
own its own home. It is probably true  
that the apartment houses and places  
for rent in Detroit are inadequate and  
if private enterprise will not furnish  
them, it is only right for the city to  
undertake it—and at that, we're not  
unduly strong for the limit in governmental  
nationalism. But as an antidote for  
the red peril now sweeping parts of  
Europe, home owning is an absolute  
specific, and any plan that brings it  
about is worth considering.

## Soldiers on Roads

Placentia Courier

During the war many enlisted men  
felt unjustly treated—and with reason-  
ably good cause—at being compelled  
to build roads at a dollar a day  
at the side of civilians who were re-  
ceiving three or four dollars for the  
same work.

The injustice has been remedied,  
and all troops engaged in construction  
work will receive the current wages.  
The arrangement will apply, also, to  
work done in the past under these  
conditions.

We agree with the Santa Ana Re-  
gister that "under such conditions  
there should be no objection to using  
army men liberally on highway work,  
especially while there is any uncer-  
tainty about getting employment out-  
side the army."  
We even "go" the Register "one  
better," and insist that any man who  
cannot obtain employment elsewhere,  
at any time, should be employed by

## "THERE ARE SMILES"

## A Sure Preventive of Worry

If you were to invest \$100 today in any business  
concern you would feel that you had to keep an eye  
on that business. You might make money out of your  
investment—AND YOU MIGHT LOSE MONEY.

It would worry you more or less.  
If you put \$100 in the bank, you'd have times in  
which you wondered if your money was absolutely  
safe.

If you bought industrial stocks or bonds with  
your money you would give many an anxious mo-  
ment to thinking about the security of your invest-  
ment.

If you loaned your \$100 to another person you  
would keep your mind's eye on him until he repaid  
you.

If you bought real estate with your money, there'd  
be a chance the value might drop, and always there'd  
be taxes to pay.

If you bought an automobile, why, there's the

upkeep and "gas" to consider.

If you stuck your \$100 in a teapot and hid it  
away, like as not someone would steal it, or the mice  
would gnaw it into nothingness.

But if you invest that \$100—or as much more as  
you can rake together—in Victory Loan bonds, why  
you can forget all about it, calling your investment  
to mind twice a year when it's time to clip the inter-  
est coupons. You can't lose your money if you don't  
sell your bonds. You know exactly how much in-  
terest you will get; and you know that the concern  
in which you invest your Victory Loan dollars will  
not fail, cannot fail, and will never pay a cent less in  
interest than what it promises.

Think of that when the Victory Loan salesman  
comes to your home.

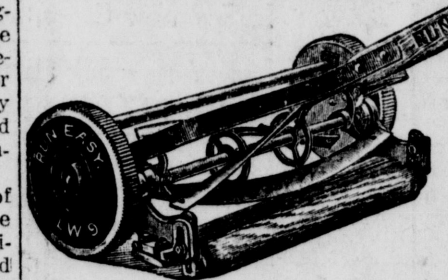

If the Finns really intend to make war on Lenin,  
we hope it will be a finish fight.

## TWO RESIDENCES ON NO. BROADWAY SOLD

Two fine residence properties on  
North Broadway have changed hands  
this week.

James Harding, with Chandler and  
Son, purchased the Burbank residence  
at 604 North Broadway from Dr.  
Glenn Burbank of Long Beach, the  
consideration being reported as about  
\$8000. Rev. F. G. Davies, pastor of  
the First Baptist church, is now oc-  
cupying the property. Mr. Harding  
has no definite plans as to when he  
will move his family to their new  
home.

Mrs. Mary E. Lockett has sold her  
residence at 1016 North Broadway to  
Daniel W. Jones of Orange, who will  
take possession on the first of June.  
The consideration is said to have been  
around \$5000.

## Sawyer-Galloway Wedding

A very beautiful and glad some wedding was solemnized yesterday afternoon at 2 o'clock at the home of Mr. and Mrs. Frank Sawyer, when Miss Mary-Lou Galloway of Los Angeles and James Lee Walker, brother of Mrs. Sawyer, were united in marriage.

The lovely home was converted into a veritable bower of spring flowers. Stately calla lilies blended with the green of graceful ferns in the living room and den, while fragrant sweet peas and carnations adorned the dining room. A large basket of these dainty blossoms centered the bride's table while streamers of tulle extended to smaller baskets at each end.

Before the ceremony, Mrs. Russell Coleman, accompanied by Miss Sarah Gardner, charmingly sang "At Dawn" by Cadman and "Because" by Guy D'Hardelot. While Miss Gardner played Lohengrin's wedding march, the young couple entered, attended by Mr. and Mrs. A. G. Flagg as best man and matron of honor, and in the presence of a small company of relatives and close friends, who smiled response to their happiness, pledged their troth, with the beautiful ring ceremony, Rev. Oliver of the First M. E. Church officiating.

The winsome bride was beautifully attired in a going-away gown of dainty pink tri-cotlette with white accessories, and carried a shower bouquet of Cecile Brunner roses, orchids and maiden hair ferns. Mrs. Flagg wore white and carried sweet peas.

The young bride is the daughter of Mr. and Mrs. R. W. Galloway of Memphis, Tennessee, and in the short time she has resided in Los Angeles has become popular with a large coterie of friends, who, with the many friends of both bride and groom, in this city wish them Godspeed.

Mr. Walker is the son of Mrs. Laura A. Walker and a native son of Santa Ana. At the beginning of the war he enlisted in his country's service and served as motor instructor in the Aviation Department at Columbus University, New York City, until he received his discharge a few weeks ago, and is now in the auto repair business with his brother-in-law, Mr. Sawyer, at the West End Repair Shop, on West Fourth street, in this city.

Mr. and Mrs. Walker received a large number of beautiful gifts and were showered with rice and good wishes when they left for a short honeymoon trip to parts unknown. The young couple will reside in this city.

At the bridal table were seated the newly married couple, the groom's charming mother, Mrs. Laura Walker; Mr. and Mrs. J. B. Sawyer of Long Beach, Mrs. Russell Coleman, Miss Sarah Gardner, Rev. Oliver, Mr. and Mrs. A. G. Flagg and little Margaret Ellen Sawyer. Besides these, covers were laid for Messrs. and Mrs. M. W. Wooley, Frank Sawyer, Earl Lentz, Geo. Wilson, E. Plummer; Mr. and Mrs. Geo. Mills and Mr. and Mrs. Ernest Fulson of Garden Grove; Mr. and Mrs. Fred La Cour of Los Angeles, Mr. and Mrs. S. T. Rutherford, Mr. and Mrs. Geo. Deakin, Mrs. L. C. Galloway, grandmother of the bride; Mr. and Mrs. A. Brady, Mr. J. C. Joplin, Mr. Wm. Wilson, Mr. J. P. Galloway, brother of the bride; Miss Margaret Flagg, "Jimmy" Flagg and Beatrice Wilbur.

The first day of May being the anniversary of Mr. Flagg's birthday, made the occasion a doubly pleasant one and a delicious birthday cake bearing candles, appropriate to Mr. Flagg's age, was served with the magnificent wedding cake on the bridal table.

## Cosy Little Club Meeting

Mrs. Lester L. Carden was hostess yesterday to the members of a sewing club, of which she is a member. A delicious luncheon was served at one o'clock and the afternoon hours sped swiftly with social chat and fancy work.

## LEMON JUICE FOR FRECKLES

Girls! Make beauty lotion for a few cents—Try It!

Squeeze the juice of two lemons into a bottle containing three ounces of orchard white, shake well, and you have a quarter pint of the best freckle and tan lotion, and complexion beautifier, at very, very small cost.

Your grocer has the lemons and any drug store or toilet counter will supply three ounces of orchard white for a few cents. Massage this sweetly fragrant lotion into the face, neck, arms and hands each day and see how freckles and blemishes disappear and how clear, soft and rosy-white the skin becomes. Yes! It is harmless and never irritates.—Adv.

## FRENCH PASTRY

—These are better described as a Delicious French Tea Cake, those fancy-looking delicacies that have made the French people famous, being a product of the highest art in cookery. While the flavor of the pastry is the same, there is a wide range in the frosting and coating. The Cherry Blossom is the only place in Santa Ana where you can get French Pastry. Better drop in and buy a few of these fancy delicacies and take them home with you.

Only 15 Cents Each.

## To Meet Monday

The Second Travellers will meet with Mrs. C. F. Crose, 517 Bush street, Monday, May 5, for a one o'clock luncheon. Misses A. L. Dearing and A. D. Clayton join with her in entertaining.

## First Ebell Travel Club

The First Ebell Travellers will meet on Monday afternoon next with Mrs. I. W. Van Cleave.

## A Dainty May Day Luncheon.

A very dainty May Day luncheon was served to twelve friends yesterday by Mrs. Walter Vandermast at her hospitable home on South Main street, the table being centered with a graceful basket holding tiny Cecile Brunner rosebuds and shy little forget-me-nots. Lovely pink roses were used in the other rooms.

Hearts was the game which passed away the afternoon hours delightfully and the first prize was awarded to Mrs. H. H. Dale, the consolation going to Mrs. Ray Chandler.

## Mrs. Bartholomew Is President.

With 200 persons in attendance, the Seventh Annual Convention of Orange County Federation of Women's Clubs was held at the Placentia Club house, Tuesday, April 30. The club house was made resplendent in its lavish decorations of flags, and regal roses. Mrs. Lillian R. Sawell, president of the county federation, presided. The eleven clubs represented were seated at the club banners indicated.

Rev. Frank Dowling gave the invocation and also led in the responsive reading of America's Creed. Mrs. Arthur Staley, president Placentia Round Table, welcomed the delegates. Mrs. A. E. Steukil, President Fullerton Ebell, responded for the delegates. Reports of officers and chairmen were given. Mrs. Crozier of Newport Ebell gave a splendid report of the daughters of Orange county engaged in overseas base hospital work. Eighteen girls of Orange county are in service.

Mrs. Works, chairman of Legislation, gave a concise report of work done and Mrs. A. J. Lawton summarized her report by giving a detailed account of work accomplished by the woman's legislative committee, and gave many reasons for women supporting the legislative council.

Mrs. Charles Hanson, president of industrial conditions in Orange county, gave a concise account of work done.

The war service work of the clubs in Orange county was ably presented by Mrs. Pickering. Mrs. Henderson, county chairman of music, explained her work, and data of the different clubs she had visited and of the beneficial results derived from music. Mrs. Henderson conducted the community singing of the convention and it was one of the pleasant features of the day. Mrs. C. T. Wells, Press chairman, reported that Orange county clubs had received their quota of publicity in "The Clubwoman".

The county treasurer, Mrs. J. E. Pyle, reported that Orange county clubs were one hundred percent and over the top in regard to county and district dues.

Following the reports, Lew Wallace of Newport, spoke enthusiastically in favor of Orange county harbor and was quite convincing in his argument as regards to voting the bonds. J. A. Armitage, suavely genial, spoke in a

## OUCH! CORNS! LIFT CORNS OFF

Doesn't hurt a bit to lift that sore, touchy corn off with fingers

Drops of magic! Apply a little Frezone on that bothersome corn, instantly that corn stops hurting, then you lift it off with the fingers. No pain at all! Try it!

Why wait? Your druggist sells a tiny bottle of Frezone for a few cents, sufficient to rid your feet of every

very forecurel manner in favor of the bonds.

Miss Hester Billingsly delightfully rendered a group of three songs.

At the noon hour, a luncheon replete with good things, was skillfully served by the ladies of the Presbyterian church at the church rectory. The afternoon session opened by community singing led by Mrs. Henderson. Mrs. J. J. Suess, president of the district, gave an address on the "Justification of Woman's Clubs."

She said Woman's Clubs have reached a point where they are of far more importance than ever before. Politics should mean Christian principals.

Mrs. Rachel Richardson, of the State Normal, addressed the convention on the subject of "The Rehabilitation of the Disabled Soldier," and told of the wonderfully helpful things the government is doing for the cripples.

Mrs. G. M. Turner of Riverside gave an exceedingly interesting and informative talk on "Bird Life." Miss Helen Wishard sang a vocal solo and was awarded hearty acclaim by the audience.

Roll call of clubs showed eleven clubs represented and nine club presidents in attendance. The report of the nominating committee was accepted and the following officers were chosen for the ensuing year:

President, Mrs. J. M. Bartholomew, Santa Ana; Vice-President, Mrs. F. E. Mollo, Yorba Linda; Secretary, Mrs. R. K. York, Anaheim; Corresponding Secretary, Mrs. W. R. Garrett, Orange; Treasurer, Mrs. Copeland, Huntington Beach; Auditor, Mrs. Jesse Chil-ton, Fullerton.

Mrs. J. E. Gorman was elected on the nominating committee to the district convention at Coronado.

Huntington Beach was the place selected for the meeting in November.

Great credit is due the president, Mrs. Lillian R. Sawell, for her interesting efforts and gracious tact in making the convention the great success it was, both as regards to number and timely program.

Resolutions of thanks to the hostess organization and church ladies were passed.

## Deub's Birthday Surprise

Mr. and Mrs. J. William Sackman were given a most delightful surprise yesterday evening at their Olive street home, the occasion being their natal anniversaries, which very happily occur on the same date.

Mrs. Sackman was away helping the women's committee sell bonds at the balloon grounds, and arriving home late was whisked away by her husband on a business call.

Thirty neighbors took possession of the home during their absence, and upon their return they were greeted with merry congratulations.

Delicious cream pie, cake and coffee were served in abundance by the self-invited guests, and the time passed enjoyably with vocal and instrumental music and dancing.

Many beautiful and useful gifts were presented and there were showers of postcards, and flowers, even the children contributing their lovely little May baskets.

## Relief Corps Meeting

The regular meeting of the Woman's Relief Corps was held in G. A. R. hall yesterday afternoon with Mrs. Harriet Coulter presiding.

Three applications for membership were favorably reported, and they were balloted for and elected. Two new members were initiated, making a total of two hundred and thirty-three members in good standing.

Reports of convention committees indicated that preparations for that event were fairly completed, and Santa Ana would be ready to feed and house its two or three thousand visitors who will be here within the next few days.

Proprietors of restaurants will do well to stock up for the occasion, as the patriotic societies have made no arrangements for feeding their guests, depending solely upon the hotels and eating houses to take care of that part of the week's program.

From the statements made by members, who had been delegates to other conventions, it seemed that J. J. Crocker, at restaurants and the tireless standing in line waiting were the most unpleasant features attending such convocations in the smaller cities.

Ladies who had canvassed for rooms in private homes reported considerable success. It was suggested that those who had not been reached, who had rooms they could let, be invited to leave name and address at the Rossmore hotel, department headquarters.

Some very interesting entertainments and patriotic exercises will be

## 5-CENT TOLL IS MEETING WITH PROTESTS

Numerous Phones Ordered  
Out, But the Company  
Leaves Them In

A prolonged roar has gone up from a good many business concerns and from residents of Santa Ana, Tustin, Orange, and other places that no longer have free telephone connections with nearby cities. This roar began yesterday, when the Pacific Telephone Company put into effect a five-cent toll for a connection between exchanges of Orange county that hitherto have had free toll.

Protests will undoubtedly be registered by civic organizations of the city and county, and there is no question but what efforts will be made to secure an adjustment of the difficulties brought about by the government order. There seems to be little hope for an early remedy, however.

At the telephone office today it was stated that about twenty telephones in Santa Ana had been ordered out, and about twenty on the Tustin exchange, but so far the telephone company has taken no steps to remove the telephones. Evidently it is following the policy that the anger that is now evident will die down in a short time and people who now think they want their telephones out will decide that they will pay the price and keep them.

Committees of the Associated Chambers of Commerce and County Farm Bureau are watching the situation closely. It has been felt by them that so long as the telephone company is under government control little could be done to prevent raises in rates or the doing away of free tolls. They believe that if the question is left to the State Railroad Commission the free tolls would not be entirely wiped out.

Money will probably be collected to carry on the fight. The recent raises in rates hit the farmers harder than anyone else.

"Perhaps this new angle will get the cities stirred up, too," said H. A. Lake of Garden Grove today, a member of the Farm Bureau committee. "Hitherto, the rates have hit the farmers harder than the cities. This doing away with the free tolls hits the cities hardest, I think."

The question of authority of the federal government to fix rates has not yet been settled in the federal courts.

## IN THE SPRING

When Energy and Vitality are  
Lowest, then—Influenza!

(By S. C. BOWER, M.D.)

At this time of the year people feel weak, tired, listless, their blood is thin, they have lived indoors and perhaps expended all their mental and bodily energy and they want to know how to renew their energy and stamina, overcome headaches and backaches, have clear eyes, a smooth, ruddy skin and feel the exhilaration of real good health tingling thru their bodies. Good, pure, rich, red blood is the best insurance against ill of all kinds. You are apt to suffer from an attack of Influenza if your health is run down.

Purify the blood and you can defy influenza. This is the time to clean house and freshen up a bit.

Drink hot water a half hour before meals, and for a vegetable tonic there's nothing better than Dr. Pierce's Golden Medical Discovery, the old-fashioned herbal remedy, which has had such a fine reputation for fifty years. It contains no alcohol or narcotics and is made into tablets and liquid. Send 10 cents to Dr. Pierce's Invalids' Hotel, Buffalo, N. Y. for trial package.

Marysville, Calif.—"I needed a tonic; my blood was thin, I was run-down, my back ached, my kidneys were weak and digestion was so bad that I could not even drink milk. I remembered that mother had always depended on Dr. Pierce's Golden Medical Discovery, so I decided to try it. I have been taking it for some time and I feel like a new man."

## PERMITS ISSUED MAY 1 EXCEED ALL RECORDS

With fifteen building permits issued yesterday, three of them being for new residences, May starts out with a record and a rush in the building line. Never in the history of the local building inspector's office has fifteen permits been issued in any one day. The value of permits issued last month show a gain over the same month of the previous year. In April, 1918, the total was \$32,093. Last month it was \$35,808. Forty-one permits were issued during the month, of which seven were for residences costing from \$2000 to \$5100.

The three permits issued yesterday for new cottages were to Roy Russell for a 6-room building at 717 Cypress to cost \$2000, with George Rosemeyer as contractor; J. H. Lipplatt, five rooms, 1315 Bush, \$2442, with W. T. Mitchell as contractor; F. C. Briggs, five rooms, 311 West Washington, \$2500, with Thomas S. Weston as contractor.

A permit for remodeling of the store front at 222 West Fourth street by Walter L. Moore was also issued. The work will cost \$2000. J. S. Fluor is the contractor.

**Gen. Henry J. Allen

For Short Supplies**

DES MOINES, Iowa, May 2.—"Indictment of the manner in which the war department furnished war machinery to the 350th division (Missouri and Kansas), the failure to supply airplanes and horses, and praise of the American soldier featured the talk of Gen. Henry J. Allen of Kansas before the Grant Club last night."

Allen also rapped the nation's system of secrecy. He said the system to keep news from the enemy was a wrong.

"When we wrote you from somewhere in France you were the only people who didn't know where we were," Allen said. "One day we went into the trenches. Within a few hours a German plane flew over and dropped a note reading, 'Hello, 350th division!'"

# ENCHILADAS A LA MEXICO TO BE SOLD SUNDAY

Pro Patria Club Arranges Features Celebrating Victory Over French Army

Genuine Mexican enchiladas and tamales by Señora Julia Benitez from Mexico will be served to the public Sunday afternoon at the Third street cafe as a feature of the celebration of the Mexican victory over invading French troops in 1862. It is claimed this is the first time the genuine Mexican dishes have been on a table here, and maybe the last for a long time.

Both Sunday and Monday will be big days for the Pro Patria club members and other Mexican residents. Sunday at 11:30 they will gather at the railway station for a reception to visiting members of other Southern California Pro-Patria clubs who are due to arrive then, and at 12:30 all will march down Fourth street to Birch Park for lunch and a program in the afternoon. The parade will be led by the new Pro Patria Club band, and the band and the club orchestra will participate in the various celebration exercises. In the afternoon there will be an open air program at Birch Park with Mayor J. C. Mitchell and Prof. J. A. Cranston as two of the speakers.

Monday evening, May 5, which is the anniversary of the Mexican victory, a program will be given at the Grand Opera House, with prominent Mexican residents of Southern California taking part.

## NEWPORT NEWS

H. A. Robinson was down from La Habra this week Wednesday. Mrs. Robinson, whose health is still quite poor, expects to come down for a several weeks' stay at their home on 26th street. Mr. Robinson will drive back and forth to his work in La Habra while his wife is here.

George W. Kellogg, former mayor of West Newport, was down the first of the week from Los Angeles for a few days' stay.

Robert Rohne, formerly bookkeeper at Wilson Bros. Co., was down from Los Angeles over the week-end and entertained friends while here. On Sunday his guests enjoyed the novelty of a sailboat ride on the tranquil waters of Newport Bay. Mr. and Mrs. Ralph Trueblood of Los Angeles spent the week end at their cottage on Balboa Island. Mr. Trueblood is on the editorial staff of the Los Angeles Times. Through the efforts of President A. B. Rousselle, he became a member of the Balboa Chamber of Commerce during his visit here.

Mrs. Paul Kressly, who has been spending the past few weeks in Arizona, returned home the latter part of last week.

Mrs. J. C. McCain spent several days in Los Angeles visiting friends, returning home on Monday.

Mr. and Mrs. C. W. Wilson and family of Los Angeles motored down Saturday for the week-end, which they spent at their cottage in Balboa. Mr. Wilson is an uncle of Harry and "Doc" Wilson. He owns the Ramona apartments on Central avenue and expects to remodel them before the opening of the summer season.

Mr. and Mrs. A. A. Wood motored down from Santa Ana Sunday for a few hours' visit with friends at Balboa. Mr. and Mrs. H. H. Smith of Santa Ana were visitors in Newport Beach on Sunday. Mr. Smith recently returned from overseas duty in France, where he was a member of the Signal Corps, having been discharged from the service since arriving home.

John Ludwig, of Talbot, has been spending the past week in Newport Beach visiting with friends.

## AMUSEMENTS

Vaudeville Try-Out Every Thursday. Manager Schlesinger has arranged with Dick Parks, of the Parks Vaudeville and Booking Agency of Los Angeles, to book at Clune's every Thursday night, a program of professional tryout vaudeville artists, which will include a great many aspirants for the stage for their first appearance, also a number of semi-professionals. This form of amusement is meeting with great success in other coast cities, and as Schlesinger has viewed several of these performances, he feels most confident that it will find favor with his local patrons. Excellent pictures will be run in conjunction with the professional try-out program and nothing but fun, will be the motto.

Lockwood in "Great Romance." "The Great Romance," a Screen Classics production featuring Harold Lockwood, will be the attraction at the Princess theater today and tomorrow. Written by Finis Fox, the story of this picture is laid, for the most part, in one of those mythical European kingdoms. Ideal localities for romance. This six-reeler contains a romance of the most romantic type. It is a romance between Boris Danza, a young man who is a citizen of the United States and believing himself a citizen thereof, who suddenly finds the leadership of a band of revolutionists in the kingdom of Rugaria thrust upon him, and Althea Hanway, the pretty daughter of an American millionaire whose mother is desirous of marrying her to Prince Boris, a worthless weakling who is heir apparent to the throne of Rugaria.

Given these three characters at the outset, Mr. Fox has plotted them through a story of adventure, thrills and romance that takes one back to the days when McGrath and McCutcheon were in their prime in writing this sort of fiction. Mr. Lockwood and his charming leading lady, Ruby de Remer, make an ideal pair of lovers, while Joseph Granby is sufficiently villainous as the Prince. The picture has been laid in gardens and rural spots of the most delightful sort. The setting fits the story to a degree that only goes to enhance the romantic and adventurous qualities of the plot.

## MUTUAL WATER CO. FILES ARTICLES

With a capital stock of \$4450, divided into shares of \$50 each, articles of incorporation of the Romeney Drive Mutual Water Company were filed with the county clerk today. Directors of the company, with the number of shares subscribed for by each, are as follows: J. R. Carhart, Fullerton, 21; F. A. Nellesen, Anaheim, 6; Mrs. Emma Heying, Anaheim, 15; Joe Hilt-scher, Anaheim, 21; F. W. Sheldon, Anaheim, 14; J. C. Bliss, Anaheim, 13.

The purpose of the company is to supply irrigation water to its members from a company well.

## LARCENY CHARGE IS DROPPED, LOAN PAID

The charge of grand larceny preferred against Henry Rahpany by Della C. Brown of Los Alamitos was dismissed in court today, when it was found that no evidence against him could be found. It was charged he had stolen some money from the Brown home. Previously, the two parties had been friends and Mrs. Brown had loaned Rahpany \$100. This he agreed to return, and the charge was dropped.

## JUSTICE GOEPFER PLANS CAMPING TRIP

Justice Leo Goepfer of Newport Beach township wants a vacation and while relieved from his duties plans to take a long camping trip in the hills. He has applied to the supervisors for a three-months' leave of absence, promising to make arrangements with another justice to look after the business of his court during his absence.

## TWO BRIDES-TO-BE GUESTS AT DINNER

TUSTIN, May 2.—Two popular June brides-to-be were entertained 6 o'clock evening by Mrs. Charles Willard at 6 o'clock dinner. They were little June Willard's Sunday school teacher and fourth grade teacher, Miss Gertrude Ut and Miss Edna Murphy. The happy party also comprised Misses Valeda and Evelyn Willard and Miss Grace Casner.

The house was decorated with roses from Mrs. Willard's rose garden. Good music made the evening still more enjoyable.

Each of the brides-elect were presented with a beautiful little book in which to write favorite recipes. The leaves of the books were ingeniously contrived so as to increase or lessen the number.

## HOW A YOUNG GIRL SUFFERED

And Was Restored to Health By Lydia E. Pinkham's Vegetable Compound—Told By Her Mother.

Brooklyn, N. Y.—"I cannot praise Lydia E. Pinkham's Vegetable Compound enough for what it has done for my daughter. She was 15 years of age, very sickly and pale and she had to stay home from school most of the time. She suffered agonies from backache and dizziness and was without appetite. For three months she was under the doctor's care and got no better, always complaining about her back and side aching so I didn't know what to do. I read in the papers about your wonderful medicine so I made up my mind to try it. She has taken five bottles of Lydia E. Pinkham's Vegetable Compound and doesn't complain any more with her back and side aching. She has gained in weight and feels much better. I recommend Lydia E. Pinkham's Vegetable Compound to all mothers and daughters."—Mrs. M. FINORE, 516 Marcy Ave., Brooklyn, N. Y.

For special advice in regard to such ailments write to Lydia E. Pinkham Medicine Co., Lynn, Mass.

## Trujillo Charges Wife, Her Parents, With Disturbance

The wedding bark of Mr. and Mrs. Guadalupe V. Trujillo has apparently gone on the rocks, after little more than a month of married life. Today Trujillo swore to a complaint charging his wife, Orfa Trujillo, and her parents, Louisa and Arcenio Rogers, with disturbing the peace at 1034 Logan street.

This action was taken after Mrs. Trujillo had appeared in court and declared she had left her husband and was not going to live with him again. Trujillo had claimed that his wife was being illegally held at her mother's home and secured a writ of habeas corpus, which was dismissed today when Mrs. Trujillo declared she was voluntarily remaining at her parents' home on East Seventeenth street.

## COURTHOUSE NOTES

C. W. Cox, charged with non-support of children, was in justice court yesterday afternoon and his case was continued to May 12 at 2 p. m.

Harry B. Rogers pleaded guilty to a charge of non-support of wife and asked probation, which was granted for a period of one year, during which time Rogers is to pay \$35 a month to his wife.

Mrs. Bertha Henry has sworn to a complaint charging E. O. Henry with non-support of four minor children.

John E. Hutchings has sworn to a complaint charging A. J. Swain with defrauding the Depot restaurant on East Fourth street.

Alphd Joannes Allec, a farmer of Placentia, has filed petition for final citizenship papers. He is a native of France and came to the United States in 1901.

James Densmore, 65, retired, of Huntington Beach, native of Canada, and Anton Knudsen Dahl, 40, farmer, of R. D. No. 3, Anaheim, and native of Norway, have declared their intention of becoming citizens of the United States.

## WARREN K. HILLYARD BACK AT OLD STAND

Warren K. Hillyard has resumed his former position as chief deputy in the office of County Surveyor J. L. McBride, a position he relinquished in order to enter army service. He was a first lieutenant with the engineers and only a few days ago returned from France and was mustered out of the service. He succeeds W. W. Hoy, who was chosen by the new city board of trustees as city engineer and street superintendent.

## HIGH SCHOOL P. T. A. ELECTS ITS OFFICERS

The High School Parent-Teacher Association held its fourth and last meeting of the year yesterday afternoon. The first half-hour was devoted to a delightful social "get-acquainted" tea in charge of Mrs. Baird.

The business meeting opened with one verse of "America," and the flag salute, followed by two very well rendered solos by Harold Albright.

Reports from the secretary and treasurer and from the different committees were given. Miss Henry gave a very interesting report on the splendid work done by the Red Cross. They are asking just now for oranges, lemons and grapefruit, and jellies and jams to send to the wounded boys at Camp Kearney. The domestic science department will take any fruit, no matter how small the amount, that they could use in making jam or jelly, so any one having surplus fruit can notify Miss Rowland of the science department.

The high school is planning on having appropriate exercises on Memorial Day and planting a tree for each of the eight gold stars on the service flag.

The association voted to give \$5 to the city playgrounds.

The nominating committee reported the following officers for the coming year: President, Mrs. H. M. Sammis; first vice president, Mrs. C. H. Baird; second vice president, Mrs. Charles Carothers; secretary, Miss Remsburg; treasurer, Mrs. Edmund Snow.

After a rising vote of thanks to the retiring officers for their efficient services, the meeting adjourned.

## E. I. DODSON PLEADS GUILTY AS BIGAMIST

Elden I. Dodson, in jail for marrying Miss Fern Ramella of Anaheim when he already had a wife living at Bakersfield, appeared in superior court this morning and withdrew his plea of not guilty. Then he pleaded guilty to the charge of bigamy and through his attorney, Clyde Bishop, applied for probation. May 7 at 10 a. m. was set as time for hearing of the application.

## CAROTHERS ARRESTED, CHARGE NON-SUPPORT

Hugh Carothers, charged with non-support of his wife, Anna Carothers, was arrested today at El Monte and is being held for Orange county officers, according to a message from the El Monte constable received by Sheriff Jackson. He will probably be brought here this afternoon to answer to the non-support charge.

## DRYGOODTERIA LATEST IN STORE NOVELTIES

Why not have a dry goods store run on the same plan as cafeterias, grocerias and bakerias? This idea came to S. Friesch and H. Granz some time ago when it was decided to establish such a store in Santa Ana, the first of the kind in the United States. Friesch and Granz, formerly in business in Corona and Los Angeles, will devote their time and attention to the promotion of the new plan for selling dry goods and furnishings, and Santa Ana has the first of a string of this class of stores to be established throughout Southern California.

The new store will be known as the Drygoodteria Department Store, doing a wholesale and retail business in dry goods, ladies' and men's furnishings, and will be opened tomorrow at 215 East Fourth street. "Money back or exchange, if the goods fail to please," said a member of the firm. Every piece of goods will be marked in plain figures.

## WORDEN TRANSFERRED TO VOCATIONAL WORK

Captain Frank Worden will remain in the army service for an indefinite time and perhaps permanently. He has been assigned to a vocational training school but the location has not been given as yet. Mrs. Worden and children will leave here tomorrow for Camp Lewis to join Capt. Worden and to remain there if his future service is in that vicinity.

Capt. Worden is an experienced printer and it is possible that he will be assigned to a school where printing is one of the vocations taught.

Mrs. Worden and children will leave San Pedro tomorrow on the Klamath and will go through by water.

## "DANDERINE" FOR FALLING HAIR

Stop dandruff and double beauty of your hair for few cents.

Dandruff causes a feverish irritation of the scalp, the hair roots shrink, loosen and then the hair comes out fast. To stop falling hair at once and rid the scalp of every particle of dandruff, get a small bottle of "Danderine" at any drug store for a few cents, pour a little in your hand and rub it into the scalp. After several applications the hair stops coming out and you can't find any dandruff. Your hair appears soft, glossy and twice as thick and abundant. Try it!—Adv.

## DR. BALL SPEAKER AT MEETING OF NURSES

The members of the Santa Ana Hospital Nurses Alumni Association enjoyed a very pleasant business meeting yesterday afternoon at the hospital, a pleasant feature being the presence of Dr. Charles D. Ball, who visited the hospital for the first time, since his accident and illness.

Dr. Ball gave the nurses an excellent talk, taking the nurses' subject "Advice," which the nurses greatly enjoyed and found highly profitable.

Fourteen were present at the meeting and at its close, delectable refreshments of orange brick ice cream, wafers and coffee were served, while a social period was spent.

## DIED IN LOS ANGELES

Mrs. H. A. Gibson, mother of Mrs. C. I. Talbot and grandmother of Mrs. F. M. Tadias and Mrs. M. M. Holderman, all of this city, passed away in Los Angeles this morning after a stroke of apoplexy.

She was well known in G. A. R. and W. R. C. circles all over California and was planning to attend the coming encampment here.

Sergt. Maj. William M. Weeks, of the 13th Aerial Squadron, son of Henry J. Weeks of Laguna Beach has just arrived home from France, where he was in the service for sixteen months. A brother of William died of pneumonia at Vancouver.

## TRUCK TRAIN HELPS WESTMINSTER LOAN

WESTMINSTER, May 2.—The motor truck exhibit accompanied by a number of soldiers and sailors reached Westminster at 3:30 Wednesday, giving their full program to a fair-sized audience, which lasted till after 5 p. m.

Very interesting and detailed descriptions of the manner of loading and firing the various kinds of guns were given. Also the pack a soldier carries on his back, weighing 58 pounds, was shown. This did not include gun and ammunition, which made the load well up to 100 pounds.

A member of the navy who was aboard a destroyer which was torpedoed and who was in the water 18 hours before being rescued, gave a short talk. He was also seriously wounded at Cambrai. The excellent program deserved a larger audience but \$650 was added to the Victory Loan quota, making it up to that time \$2300. The exhibit went from here to Garden Grove.

## CHICAGO KEEPS WATCH FOR I. W. W. ACTIVITIES

CHICAGO, May 2.—While the threatened explosion by radicals of a giant socialist cannon cracker on May Day fizzled out like a squib, police today were keeping their anti-riot organization intact in preparation for the national I. W. W. convention here on May 5.

The first attitude of the police and federal agents dispatiated any plans the radicals might have had for a demonstration, police officials declare.

## ALL READY FOR BAPTIST YOUNG PEOPLE, OVER 400 COMING

### Convention Opens With Addresses By Two Well Known Ministers

The convention of the Baptist Young People's Union of Southern California will open its sessions at 7:30 o'clock this evening, at the First Baptist church.

Careful preparations for entertaining the visitors have been made through various committees of the local church. Since between 400 and 500 delegates are expected, many of them arriving this afternoon, homes of the city are being opened to receive and entertain them.

An exceptionally good program has been arranged for the convention. It starts off tonight with addresses by two well known ministers, Rev. Bruce Black, of Los Angeles, and the other by Rev. W. W. Catherwood, of Santa Barbara.

The officers for the Southern California Baptist Young People's Union are: President, Rev. W. Earle Smith; recording secretary, Winifred M. Bushnell; corresponding secretary, Paul Gleason; treasurer, M. H. Godfrey.

The program for the convention follows:

**FRIDAY EVENING**  
6:00 Registration and Get Acquainted.

7:30 Praise Service, led by Ralph Isbell. Music furnished by Santa Ana. Words of Welcome—Rev. F. G. Davies, D. D.

8:00 Address, "Running the Race," Rev. Bruce V. Black, Solo—Miss Pauline Cook.

8:40 Address, "Losing and Finding," Rev. W. W. Catherwood.

**SATURDAY MORNING**  
8:20 Quiet Hour, "Ourselves," Rev. Bruce Black. (Held in Birch Park, Third and Birch streets.)

9:00 General Conference on Young People's Work, conducted by Rev. W. B. Percival, Jr. How are your Young People Organized into Societies? How are your Societies Related to the Church and Sunday School? Do you use the topic method, or follow some consecutive course of instruction? Are you reaching the returned soldiers? Are you enlisting young people for Christian service and life work? What social life are you providing?

9:40 Divisional Conferences, Young People, Rev. Frank Durham, Intermediate and Senior (High School Age), Rev. W. B. Percival.

10:20 "Our Interest in the Foreign Speaking Young People," Rev. J. B. Fox and Rev. Henry Re. Musical number from Santa Ana.

## Y. M. C. A. Summer Camp at Catalina June 30 Till July 11

ARRANGEMENTS have been made by the County Committee of the Y. M. C. A. to hold a summer camp at Catalina Island for Orange county boys from June 30 to July 11, when vacation will not interfere with summer work.

An intensive program is being prepared which promises a surprise for every minute of the time at camp. Swimming, hikes, games, sports of all kinds and an interesting course of study will be offered under the direction of competent strong Christian leaders. The aim is to give the boys something worth while as well as entertaining. "A Real Vacation of Profit" is the slogan. Watch the papers for further particulars.

All boys between the ages of 12 and 20 are invited, although preference will be given to Y. M. C. A. boys. The camp is limited to seventy-five this year.

## BEN E. TURNER, BUSINESS MAN, DIES TODAY

Ben E. Turner died at 7 o'clock this morning at his home on East First street. Funeral services will be held tomorrow afternoon at 3 o'clock at the Mills & Winbiger Mission Funeral Home.

With Mr. Turner's death passes a man who was prominent and active in the business life of this city in its early history. Energetic, straightforward and honest, he was loved by all and highly regarded in business and social circles.

He was who established and operated the first local exchange of the Pacific Telephone & Telegraph Company in this city, opening it in connection with a business in which he was established. Realizing the possibility of the enterprise, he gave his attention to the development of the exchange and built it up to a profitable branch. Later the company took the business over and placed it in charge of one of its own men.

Some twelve or fifteen years ago he established what is now the Ben E. Turner Insurance agency, which has been under the management of Mrs. Turner for the past two years.

Mr. Turner was afflicted with deafness about twelve years ago, and despite this affliction and handicap he maintained a happy and cheerful frame of mind, continuing in personal charge of his insurance branch.

Twelve or fifteen months ago the condition of his health made it necessary for him to cease his business activity and remain at home.

He was a patient sufferer and was deeply appreciative of everything that was done by loved ones and friends to alleviate his sufferings.

He was the son of Mr. and Mrs. J. A. Turner, and came here with the family in 1887. He is survived by his wife and one daughter, Ruth, 15 years of age. The deepest sympathy of the community is extended the family and parents of the deceased.

He was an Elk and member of the lodge will act as pallbearers.

Mrs. T. L. Inch, a sister, is in the sanitarium at Glendale, and will be unable to attend the funeral. She has been suffering from an attack of the "flu."

## Kentuckians to Hold Annual Picnic In L. A. On Saturday, May 10

President H. G. Redwine invites all former residents of the state of Kentucky to unite in a happy reunion all day Saturday, May 10, 1919, in Sycamore Grove, Los Angeles. This invitation will go far and wide and includes all from every county of the old home state. There will be county registers and hot coffee, free to those who buy the souvenir badge, but each must bring basket dinner.

There will be an informal program in the afternoon. This will be an all-day reunion just to meet old friends and to have a good time. Each one who sees this notice is asked to pass it on to others.

All Kentuckians are also cordially invited to enjoy a social evening in Sycamore hall, Bartel Apartments, 434 West Sixth street, Los Angeles, Friday evening, May 23. There will be a program, reading, musical numbers, singing old home songs and brief address on Kentucky. After the program those who care to, may indulge in dancing.

The Kentucky society meets on the fourth Friday evening of each month and all Kentuckians are welcome.

## DISCUSS PHONE SITUATION AT FARM PICNIC TOMORROW

### Dissatisfaction of Rural Subscribers Brought to Head By New Rate Raise

What are Orange county farmers going to do about the latest telephone rate raise and elimination of free toll areas?

This is going to be a big question tomorrow, when members of the county Farm Bureau hold their big picnic at Orange County Park.

The farmers are mightily interested in the situation, for they need proper telephone service and they are the hardest hit by the newest raise in rental rates and the elimination of free tolls. The farmers at Talbert, Wintersburg, Smeltzer and Westminster have heretofore considered themselves as almost in Santa Ana for by phone they could do business with local individuals and business firms. The addition of a ten-cent toll on calls to Santa Ana puts them back in the country again, and they are just as close to Anaheim by telephone as they are to Santa Ana, a charge of ten cents being made on a call to either town.

Much Dissatisfaction  
"There has been a lot of dissatisfaction among the farmers over their telephone charges," said Farm Advisor Wahlberg today. "I talked with several of them yesterday and something is bound to come out of their dissatisfaction. The elimination of free tolls by the Pacific Telephone Company and the latest increase of rental charges may be a good thing, for it will bring to a head the matter of a county mutual telephone company."

The latest phase of the telephone situation is one of the subjects to be discussed at a business meeting of the Farm Bureau, to be held at 11 o'clock tomorrow morning at the county park. Other items of business up at that time will be reports of committees, election of directors-at-large and election of officers.

The picnic is going to be a great big affair, that much is certain, for the rancher folk from all parts of the county will be there to see the exhibit of farm tractors, exhibit of boys' club pigs, demonstration of squirrel poison, for the business session, program and speakers, and to enjoy the general get-together good time.

**50-Piece Band Will Play**  
The fifty-piece band of the Orange Union High School will play. All farmers, whether members of the Farm Bureau or not, are invited to attend.

The program for the day is as follows:  
11 a. m.—Business meeting.  
12 to 2 p. m.—Lunch hour. (Coffee served by Farm Bureau).  
2 to 3 p. m.—Music by Orange High School Band.

2 p. m.—Address, "Fertilization and Permanent Agriculture," by Dr. H. J. Webber. Address, "On the Firing Line," by Captain Delbert Brunton.

3:30 to 4:30 p. m.—Stunts, tug-of-war, burro race for girls, sack race, boat war.

## Receipt For a Truck Load Refugees Held By Y.M.C.A. Secretary

EAST ORANGE, N. J., April 30.—One of the most remarkable receipts ever issued to a member of the American Expeditionary Forces is in the possession of Henry Fallek, a Y. M. C. A. secretary of East Orange, New Jersey.

It is from the chief of police of Lanky, and acknowledges the receipt of "one truckload of live refugees" and is dated June 2nd. In addition Fallek has recently received the thanks of men and women, whom he saved from death or practical slavery by facing heavy shell fire in order to rescue them from the German offensive during June.

In telling of his rescue of refugees, Fallek said: "My job was to get supplies of sweet chocolate, cookies and tobacco to the men at the front. I found there was danger of women and children being captured by the Germans, so I just loaded the truck with them and carried them back to safety. They had several narrow escapes for the Germans shelled them while they were getting into the truck. Any man would have done the same thing had he been in my place."

One of Fallek's treasured possessions is a picture of two of the refugees whose combined ages are two hundred years; the man is 104 years old and the woman 96 years old. Fallek recently heard that they had returned to their homes, or rather to the ruins of their homes.

## Sixty-five Y. M. C. A. Workers Decorated Four Win Distinguished Service Crosses

### One Man Under Fire Rescues Five Wounded Yanks and Captures German

WASHINGTON, May 2.—Records piling up every day show that in no war has the non-combatant—not the military non-combatant, but the civilian volunteer—received such recognition as in the war just ending. Welfare organizations of all sorts, with thousands of men and women workers, won honors for their work behind and in the lines. The Y. M. C. A. alone has more than 152 workers who have won official commendation for distinguished service.

Up to date, sixty-five Y. M. C. A. secretaries have been decorated. Thirteen of these have won the Croix de Guerre and 52 have received other decorations. Four Y. M. C. A. men, however, have received the most coveted decoration of all—the American Distinguished Service Cross.

### Saved Five Under Fire

Mandeville J. Barker, Jr., a young Episcopal minister of Uniontown, Pa., was the first civilian to win the cross. This "Y" man, serving with a machine gun company, crawled five times across a wheat field through a heavy barrage and machine gun fire, brought in five wounded doughboys one by one, then went back the sixth time and got a German prisoner. He was gassed four times, once losing his voice for six weeks, was wounded twice and never was in a hospital during all his Y. M. C. A. service.

Giving first aid under terrific shell fire, Thomas W. Wilbor, Jr., of New Britain, Conn., came on a soldier so badly wounded that he decided the man's only chance of surviving lay in being gotten back to the first aid station at once. The "Y" man made a perilous journey in the darkness back to the station, taking with him another wounded man.

A decoration was awarded the Rev. Dr. Mercer Green Johnston, son of Bishop Johnston of Texas and an Episcopal minister of Baltimore, Md. As a "Y" man attached to the 101st Infantry, he volunteered for advance hospital work in the drive on Verdun. In the midst of the heavy fire of the drive, he reorganized the litter service and took entire charge of it, directing it so efficiently that the admiration of officers and men resulted in his decoration.

"To Frank C. Ward, Y. M. C. A. secretary, attached to 106th Infantry: Your gallant conduct in the field on September 29, 1918, near Ronssoy, France, in voluntarily going forward to aid stretcher bearers in the evacuation of wounded under heavy shell and machine gun fire has been reported to me, and I take pleasure in commending and making this record of your gallantry."

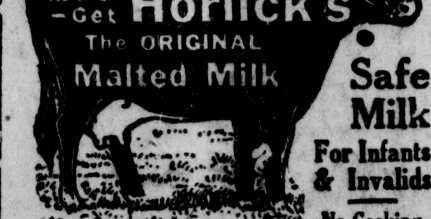

This is Ward's citation.

## Arthur Eells Saw Al. Winters Lying Dead on Battle Field

### "WAS Al Winters of Orange killed?" This was a question asked by Arthur Eells, sniper of Co. F, 364th Infantry, today. "I saw him on the battlefield on his back and he looked to me as though he was dead. I never heard for certain."

Not until today did Eells know the truth, for Winters was officially reported as killed in action in the Argonne, Eells said that it was evidently a bullet that killed Winters. He was not mutilated by a shell. He said that Winters was a runner for the headquarters company.

Eells was deputy jailer of Orange county when he went away in charge of the first contingent of draft men, September 3, 1917.

At Camp Lewis he held first place in his regiment for marksmanship, and was assigned to duty as a sniper, the

most dangerous assignment in a company. The snipers went out in advance of the company, as a rule, along with the machine guns. They hunted snipers and machine gun nests of the enemy.

"I saw a number of German snipers who were camouflaged so that they couldn't be seen 100 yards away," said Eells. "Their helmets would be painted. Those Prussian Guards against whom we fought in the Argonne were great fighters. Talk about men being chained to their machine guns, they

## DRIVE TO CLEAR STREETS, LOTS AND CURBS OF WEEDS

### Two Districts Established For Convenience of Men Gathering Trash

A cleaner and brighter city—that's to be the slogan for the week of May 5-12.

The Chamber of Commerce has started a clean-up drive for the week. Weeds on the curbs, on vacant lots and weeds and trash in the back yard—get these out of sight and out of the way.

Clean up for the sake of being clean. Clean up to prevent flies. Clean up and present a neat and tidy appearance to the hundreds of visitors who will be guests of the city during the G. A. R. encampment convention here on the 13th inst.

Put the boys and girls to work before and after school and on Saturdays. Tomorrow will be Saturday—get them busy with the shovel, the hoe and the rake.

Cleanliness is next to Godliness—and not a resident of Santa Ana but what will say that Santa Ana is next to heaven as a place in which to maintain a home.

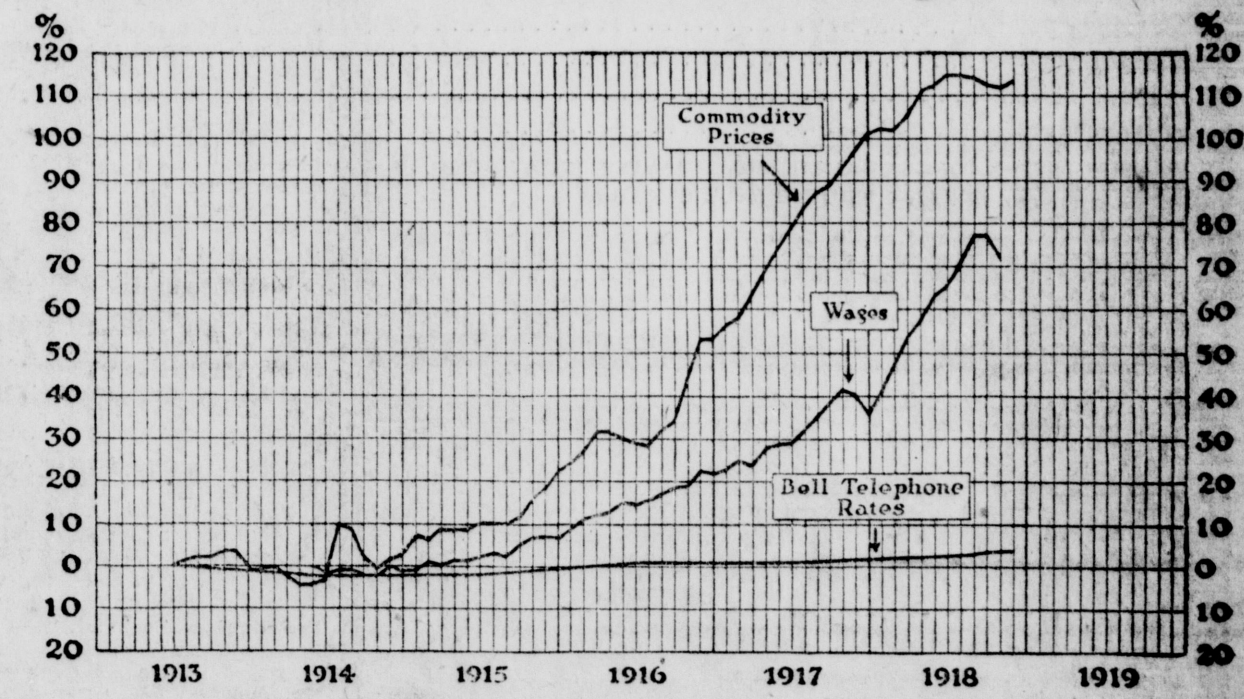

### Free Service Campaign Incident

A free service will be an incident of the campaign. The city council will co-operate with the Chamber of Commerce. City teams will haul away the trash—and without charge. That is the free service. Except during a campaign the individual has to pay to have trash hauled away. Everyone should show appreciation of this offer by putting their premises in the best possible condition. It is an opportunity that will not occur in the immediate future.

For general convenience the city has been divided into two districts. In that district formed by Washington avenue on the north, Chestnut on the

## High Costs Affect Operation Greater Revenues Required

Changes in Bell Telephone Rates - 1913 to 1918 Compared with Changes in Wages and Prices

SINCE 1913 there has been a steady increase in the price of all commodities and the products of industry, which has not been reflected in a corresponding increase in telephone rates. In order to meet the past and present high cost of telephone operation, a revenue in just proportion to the expense must be secured.

The reason is simple. The cost of telephone operation has steadily advanced both because of the increased cost of material and the increased living cost of employees. The consumer has realized the necessity of paying more for rent, for food, for clothing and for transportation. The telephone industry has been affected by the same conditions which have produced higher prices in all of the necessities of life.

Between 1913 and 1918, commodity prices advanced 112%, wages advanced 72% and Bell Telephone rates the country over advanced only 4%. Adequate rates are needed if the service is to be maintained efficiently and on a comprehensive scale, so as to meet the increasing demands of the public.

This company is operating its telephone property under the direction of the Postmaster General for the United States Government and must secure sufficient revenue to cover the cost of rendering the service.

**Place Brush on Parkings**  
Rubbish must be placed on the parkings and not in the gutter or alleys. No trash of any kind will be taken away if put out after dates specified. Accumulations placed after those dates will have to be hauled away at the expense of the property owner.

Rubbish that will be taken consists of tree trimmings, vines, weeds and ashes. The city teams will not take wire, tin, iron, glass, earth or sod and such trash as is taken by the garbage collector.

Additional information may be obtained by telephoning Fire Chief Lumbourger, Sanitary Inspector W. W. Chandler or the Chamber of Commerce.

Inspectors will visit all sections of the city and report in writing the name and address of any person refusing to clean up his or her premises.

## EELLS SAW WINTERS FACE UP ON FIELD

(Continued from Page Nine)

were chained there by discipline and nothing else. They would work their guns up to the last second, and then yell "kammerad." They had a great lot of snipers. They would lie out on the field and sometimes we'd go by, and they'd shoot us from the rear."

### Many Casualties

Eells was in the front line for four days and nights, advancing most of the time. As to his own exploits, Eells is reticent. That is characteristic of the man. He will tell what his company did, but nobody ever accused Art Eells of bragging concerning his own deeds.

"Out of 200 men who went from Camp Lewis in Co. F," said Eells, "there were only twenty of us to come back with the company. The rest were either killed or went home through the hospitals, most of them wounded. Many of them sick. Luckily, most of the Orange county boys of our company got through all right. John Holditch and Ralph Huffman, who went to Camp Lewis in the group with me, and Carl Danielson all came back together."

"The worst place we got into I guess was one day when we mixed with the Germans for about an hour with bayonets. Our company had been holding the line. We were ordered to stop for lunch, while a company of engineers passed us to advance. We hadn't much more than gotten started when we got orders to advance. The engineers had run up against a bunch of Germans in an orchard, and we joined them in a mix-up with our bayonets. It was about an hour before we thinned the Germans out and had the ground."

"That was the time we were shelled by our own artillery. They said we went too fast and got into our own barrage. Of course, a fellow can't prove that the barrage was laid in the wrong place. All I know is that getting it from the Germans and from our own artillery at the same time shot us up pretty bad."

### Horrors of Shell Shock

Eells said that one of the most terrible things he ran up against was shell shock. One incident that he recounted would be amusing if it had not had a horrible ending. "There was a man leading a mule," said he. "The mule was hitched to a cart carrying a one-pounder, and with shells breaking all over us and around us the mule was pretty nervous. This man had the mule by the halter and was pulling him along, when a walz-bang struck that mule, went into him and blew him in two pieces. This man dragged away at the halter, and happened to look back and saw what had happened to the mule. Right there he got shell shock."

He went all to pieces. They had to take him back. They tried to give him some coffee but he was shaking so he couldn't hold the cup. "In the hospital where I was the shell-shocked patients were in a terrible state. Let anyone just drop a shoe, and they'd get under the bed. Any sudden noise seemed to send them off into a spasm. I don't see how a man who gets that way can ever get over it. The sudden popping of an automobile sends some of them clear off."

Eells was gassed after four days of hard fighting. After getting out of bed at the hospital, he found life there so depressing that he took the first opportunity to leave, without leave. "I happened to find a car with some of our company going back to join the company," said he, "and I climbed in with them."

"Were you wounded otherwise than by gas?" was asked Eells.

### Nicked by Shrapnel

"No, just got nicked up a little bit by shrapnel, but that didn't amount to anything."

"What's that dent in the top of your helmet?" was asked.

"That, I guess I must have bumped that on a box car on one of those French railroads," was his reply.

Eells said that if it hadn't been for raw turnips over in Belgium and what eggs and milk the soldiers could buy from the Belgians, they would have starved.

Eells is to return to his position as assistant jailer in about a week. His wife, formerly Miss Emmeline Miller, returned home from Sacramento, where she was an attaché of the legislature, last week. The couple were married at Camp Lewis just before Eells started overseas. At present they have an apartment at the Parsons apartments.

### THOUSANDS OUT FOR TROUT OPENING

No Local Parties Had Returned Early This Morning But Sport Reported Good

Thousands of Southern California anglers were out for the trout season opening in the Fourth district yesterday, and some interesting sport was enjoyed. Many good catches were reported, but no Santa Ana fishermen had returned early this morning and how they fared remains to be seen.

Scattered on every lake and stream in the Southland, such an out-turning of licensed anglers took the field against trout and bass as even the lower end of California never before had seen. Record interest in outdoor sports is ceasing to be a novelty nowadays, but everywhere arose the same question—"Where are they all coming from?" Even on Silver Lake Reservoir which the Los Angeles city authorities only a couple of days ago decided to open, was angling enthusiasm rampant. Long before the sun, ardent devotees of the art Waltonian were busy with the bass and perch that throng these waters. Catches were good, too, and the policy of building up easily accessible sport for the people received another undeniable "boost."

Such scanty details as filtered into the Fish and Game Commission's office at Los Angeles yesterday bespoke very satisfactory sport generally. Even the one-day trippers in the Tejon and near-by creeks along the foothill boulevard found quite a few fish. With water generally low, and a foggy morning except in the heights, where above the clouds a wonderful and typical "May Day" bloomed forth, the anglers reaped a harvest that suggests leaner pickings later. Good hands with the fly-rod found fancy methods equal to filling creels. While a vast lot of bait, canned and dug, was spilled into the streams, for once it was not necessary. Anyone of ordinary skill at casting the fly was sure to fare well enough. It was quite the best "Opening Day" for fly-fishermen yet recorded. More relied upon ethical angling, and with uniformly better success than ever before. Water being low and clear; too low in many places, the fish were used to surface-feeding, and as soon as the morning warmed up, the trout fully did their part everywhere that the marching and countermarching of the angling skirmishers had not scared all fish down into the bottoms of the creeks amongst the rocks.

Wonderful as was the first day's angling enthusiasm, the real "opening" of the season of 1919 will occur this weekend. Thousands whom the combination of the first of the month with a mid-week business day kept home, will get in their deadly work amongst the finny tribes Saturday and Sunday. Despite the large leisure class, and the many tourists remaining over longer this spring than ever before, eager for a taste of Southern California sport, there is a bigger element that has to work for a living and takes its outings over the week-ends. Lucky will be the fish that escape.

The famous Big Bear Lake drew the majority of the fisher folk. One party took their own motor boat along the lake to be sure to get in a hand at the trawling.

F. W. Mathiessen, Jr., of the big Mathiessen ranch in the Conejo section, has announced that the public generally will be allowed to fish at the Mathiessen dam and Mathiessen Lake, providing they have a permit from the ranch owners. These two bodies of water offer some of the finest bass fishing in the country. The Conejo Gun Club formerly leased the property but they no longer have any interest there. The lake itself is one of the beauty spots of Ventura county and there is a public road running through the ranch.

### ORANGE TEAM WALLOPS PLACENTIA, 10 TO 0

ORANGE, May 2.—Orange Intermediate won its third game this season from Placentia, by a 10 to 0 score. To date, the boys have defeated Huntington Beach, Anaheim and Placentia. Tustin succeeded in winning one game from them last week, but Orange will seek revenge in a second game soon. A return game will be played at Placentia, while Huntington Beach is here today to play a second game.

Huffman and Reyes both pitched tight ball, only seven hits being made by both teams combined. Errors lost for Placentia. Harms and Carpenter led in heavy hitting. M. Riggsberger principal at Placentia accompanied his team. Mr. Thomas umpired in his usual good style. A large crowd of rooters gave the players plenty of life and fight.

The line-up:  
Orange—Arguello, 1b; Harms, ss; Huffman, p; Johnson, c; Showalter, cf; Alden, lf; Todd, 3b; Carpenter, 2b; Webster, rf.  
Placentia—Primo, 2b; Andrade, ss; Munos, lf; Reyes, p; Fisher, 1b; Kraemer, cf; Dunham, 3b; Forrester, rf.

**WOMEN PLAY GOLF**  
BURLINGAME, Cal., May 2.—Interest centered today in the championship match for the Northern California golf title between Mrs. C. F. Ford and Mrs. T. S. Baker.

Mr. Ford, who formerly held the title, was in good form yesterday, defeating Mrs. H. E. Law, another former champion.

**CANNEFAX BILLIARD WINNER**  
NEW YORK, May 2.—Robert Cannefax of St. Louis, challenger for Alfred De Orr's three-cushion billiard championship title, last night won the opening block play in their match at the Friars' Club here, 50 to 48.

### GIANT INFELD OLD ENOUGH TO WEAR WHISKERS BUT OLD BOYS CAN SHOW ROOKIES REAL SPEED

### John McGraw Has 7 Wonders of World Who Are Doing Marvelous Work

NEW YORK, May 2.—John McGraw, manager of the New York Giants, has one of the seven wonders of the world in the form of a marvelous infield. Nothing can equal it outside of the Old Man's Home.

First he has Hal Chase, the veteran first sacker, who is still ambitious and wants to work in his thirty-seventh year. This is his sixteenth at major league balling.

Then there is Larry Doyle, at second, who is in his thirteenth year at handling the pill and in July will be thirty-three years old in his stock-ing feet.

And lastly we have Heinie Zimmerman, at third, who shined away back almost in the days of mustache players. He is 34 years young and still slamming the cover for a place in the sun for his twelfth season.

Regardless of this 136-year-old infield and 48 years of big league experience it is the fastest thing going.

They may not have the defensive of the Red Sox, but they have a great attacking power than any other quarter in the game. And a good offense is the best defense.

### MOTORCYCLISTS GO TO CATALINA SUNDAY

ORANGE, May 2.—A novel stunt is announced by the firm of Carricker & Crowl in the way of a free feed for local motorcycle fans.

The plan as announced provides for a big picnic dinner to all who wish to join a party to Catalina Island on Sunday, May 4th. Those who wish to join are requested to register at the Carricker & Crowl shop.

The party will leave Orange by motorcycle at 8 a. m. for San Pedro, where the Catalina boat will be boarded at 10 a. m. The boat fare will be \$2.50 for the round trip and the fun and feed are free to all fans who wish to join the party.

### WILLARD BOUT PLACE EXPECTED TOMORROW

NEW YORK, May 2.—If Tex Rickard stages his Willard-Dempsey fight on July 4 he must name the site for it tomorrow or else give it to the public on Sunday, which is not likely.

Articles of agreement signed by Rickard and the two boxers stipulated that the battleground must be named sixty days before the date of the mill. Therefore the date will have to be advanced, from Independence Day if a site is not obtained by May 4.

Some of the best informed pugilistic followers have clung to the belief throughout the period of waiting that Akron, Ohio, or some other Ohio city would be selected for the encounter.

### SUNDAY BASEBALL TO BEGIN IN NEW YORK

NEW YORK, May 2.—The first legalized Sunday baseball game in the largest city of the United States will be played here Sunday, according to schedules arranged yesterday.

Laws early in the history of New York state have successfully weathered attempts of baseball enthusiasts to let down the Sabbath bars for years and years, but Mayor Hylan yesterday signed the ordinance which takes the lid off.

Games postponed because of yesterday's rain in New York and Brooklyn will be played, it was stated, and the practice of playing postponed games on the holiday dates will be adhered to in the future by both the National and American leagues in order to avoid double-headers.

Dancing class for children at Elks Hall every Friday at 3:30.

### Watching the Score Board

Yesterday's hero: Frank Baker. Doubling at Boston with the bases full, the Trappe mauler pushed the winning run across for the Yankees over the Red Sox.

The Reds continued their dash through the field, winning the seventh in a row by defeating the Cardinals, 6 to 3.

The Indians were in on that riot at Cleveland. The Tigers beat them up, 8 to 1.

Rain halted every other scheduled pastime, including the opening of the Giants in New York.

### COAST LEAGUE RESULTS

"Labor" "Labor Day" produced a little extra labor for the Bees. They had to run eleven innings to defeat the Bees, 5 to 3.

Dragging three runs across the plate in the second inning enabled the Acorns to down the Beavers, 4 to 2.

The Senators nosed out a 3 to 2 win over the Angels. The game was a pitchers' battle between Piercey of the Senators and Crandall of the Angels.

A damper was thrown over the Vernon-Seattle game, which was postponed on account of rain.

## SOUTHERN CALIFORNIA

**SANTA MONICA, May 2.**—Indignant  
 members of the Santa Monica Bay  
 Elks' Club joined the police yesterday  
 in a hunt for their lost pig. The  
 little animal was presented to the  
 lodge by Dominic Conterno for the  
 big feast May 8. The Elks put it into  
 the hands of the Palace meat market  
 that it might be in a "larger, more de-  
 licious state by Thursday." Yester-  
 day piggy was nowhere to be found.

**VENICE, May 2.**—Thirty govern-  
 ment airplanes from Riverside will  
 sail to Venice Sunday to boost the  
 Victory Loan campaign. A number of  
 speakers will talk from the band plaza  
 and Ferullo's band will assist in the  
 general entertainment. Venice's  
 share of the loan is \$70,000 and with  
 concentrated effort she expects to go  
 over the top in short time.

**SAN DIEGO, May 2.**—Mrs. Beulah  
 Webster, mother of Lieut. Willard M.  
 Webster, reported to have died in a  
 German prison camp, still believes her  
 son is alive and is now in New York  
 in the hopes of going abroad to hunt  
 for him. This theory is due to the  
 confusion there has been regarding his  
 reported death.

**RIVERSIDE, May 2.**—Bank clear-  
 ings show the greatest increase in the  
 city's history for the three months'  
 period ending April 30. The total for  
 April is twice that for the month of  
 March and nearly three times that for  
 the month of February.

**LOS ANGELES, May 2.**—A report  
 made to the supervisors by Supervisor  
 McClellan yesterday shows that 105  
 returned soldiers have been given  
 positions in the county service. The  
 county still needs men as laborers on  
 flood control work.

**RIVERSIDE, May 2.**—The Chamber  
 of Commerce is planning an excursion  
 to Palm Springs next Sunday for the  
 purpose of awakening interest in the  
 project of making a public park out  
 of the canyon districts and to consider  
 the possibility of building a road from  
 Palm Canyon to the summit of  
 Mt. San Jacinto.

**LOS ANGELES, May 2.**—W. T. Glad-  
 felty, Pomona rancher, fought an al-  
 l-day battle in Judge Taft's court yester-  
 day to get a divorce from Helen R.  
 Gladfelty and was denied a decree. He  
 declared that two days after he mar-  
 ried her he discovered she "dipped"  
 snuff, and that she let her pet goats  
 roam on his bed and her chickens to  
 roost on the clothes horse in the  
 kitchen. Mrs. Gladfelty denied all the  
 allegations except the one about snuff.

**REDLANDS, May 2.**—C. M. Brown,  
 chairman of the Victory Loan, reported  
 that Redlands has half of her quota.  
 It is expected that a large part of  
 this will be secured tonight when  
 the French Whippet tank with  
 movie stars and Gurner Depew, Sergt.  
 Nichols and Corp. Nelson as speak-  
 ers, will be here for a big night meet.

WHITTIER NEWS

Whittier News: The directors of the Whittier Walnut Growers' Association today placed the seal of approval on the plans for the proposed new packing house for this city and work will start on construction next week.

The directors were fortunate in securing the services of F. S. Bishop of Santa Ana to superintend the construction and this insures the installation of practically every modern method now in use for handling walnuts. Mr. Bishop has erected a number of walnut houses and has been called in as consulting expert by practically every association in the Southland, when improvements were contemplated. He has been engaged in this particular work for the past ten years.

According to Mr. Bishop, the excavation for the new house, which will be 90x100 feet, will start at once. The site of the new building is the acre of ground just south of the Whittier Citrus Association house on the Whittier boulevard. There will be ample basement room for the placing of machinery and storage, and the construction will be of cement and frame.

The new house will be what is called the two unit house, each unit complete and having a capacity of thirty tons for each ten hours. It is the plan to run but one unit at a time and alternate each week. During the peak season both units can be operated and thus the capacity will be raised to 60 tons for each ten hours.

Spiral feed graders, reinforced concrete bleaching drums, the modern chain and wood conveyors to replace the belt conveyors are some of the improvements which will be installed in the new house.

There will be ample bin rooms and storage and the house will make it possible to care for at least 20,000 tons each season instead of 12,000 tons which are now handled.

The new walnut house in Whittier will be a big boost for the association and it is expected that a number of new members will be attracted to the association by the modern accommodations for caring for the crop.

SOUTHLAND EXPORTS  
DOUBLE DURING YEAR

LOS ANGELES, May 1.—Exports from the six customs ports of Southern California in April were double what they were a year ago, according to a preliminary report made yesterday by Customs Collector John B. Elliott. Imports were three times as heavy, while collections increased by nearly 100 per cent. The exact figures, with the last few days of April 1919 estimated, are as follows:

Exports: April, 1919, \$619,553; April 1918, \$337,644; March, 1919, \$1,031,755.

Imports: April, 1919, \$1,131,554; April 1918, \$398,659; March, 1919, \$2,023,979.

Collections: April, 1919, \$30,909.04; April 1918, \$16,653.46. Los Angeles collections last month, \$29,672.84, as compared with \$15,456.78 for the corresponding month of 1918.

Official G. A. R. Program  
For Encampment Complete

Week of May 13-16 Will Be Busy Time, With 1500 Delegates From California and Nevada In Attendance at Sessions Here; Hotels and Eating Places Will Be Crowded

With probably fifteen hundred delegates present attending the annual encampment of the G. A. R. and allied patriotic organizations of the Department of California and Nevada, the week of May 13-16 is going to be a busy one in Santa Ana. Each organization will hold separate meetings, and there will be several different assemblies under way at the same time, with six halls being required for the meetings.

All hotels and rooming houses will be taxed to capacity in furnishing accommodations for the visitors, and many private homes will be opened to accommodate the remainder. Already the Rossmore Hotel has every room engaged for encampment time and all available rooms at the Meyer are reserved by the committee for department officers.

This afternoon the local committee is making arrangements for housing in private homes those who cannot be accommodated up-town.

Probably the majority of the delegates cannot be supplied with meals in the homes where they sleep, so all restaurants and eating houses will likewise be very busy places.

The official program for the encampment has been completed for the four big days and will be as follows:

**Tuesday, May 13**  
The Council of Administration will meet at the Rossmore Hotel, Tuesday at 10 a. m.

Cowrades G. J. Mosbaugh, Post No. 17; James M. Aubrey, Post No. 55; W. Van Horne, Post No. 6; T. M. Barrett, Post No. 170, and John Teasdale, Post No. 138, will constitute a Committee on Credentials to prepare a roll of the encampment.

The chairman of each delegation will report promptly to the committee at the Rossmore Hotel.

At 2 o'clock p. m., the encampment will assemble at the Armory and be opened in form. Roll call of officers, report of committees on credentials, report of officers, announcement of committees.

At 7:30 p. m., public reception in Birch Park. Address of welcome by the mayor of Santa Ana. Reply by Department Commander John H. Roberts and presidents of other orders.

**Wednesday, May 14**  
Wednesday at 10 a. m.—Parade to the Poly High School, in charge of Colonel S. H. Finley; Literary exercises; presentation of flag to school in behalf of W. R. C., by Department Patriotic Instructor Agnes E. Pease. Also presenting flag and loyalty pin to winners of patriotic contest in the graduating class. At 2 p. m. auto drive for visiting delegates. At 8 p. m. public reception in the Armory by the W. R. C.; also in the Elks' Hall by the D. of V.

**Thursday, May 15**  
Thursday at 10 a. m.—Assemble at Armory and opened in due form for business. Reception and reference of communications from posts. Reports of committees. New business. All motions and resolutions shall be put in writing when so requested by the presiding officer. At 2 p. m., reassemble; unfinished business. At 8 p. m., evening entertainment for delegates by the W. R. C. in Clune's Theater. Also at the same time literary entertainment in the Temple Theater by the Daughters of Veterans.

for the city was received by Street Superintendent Frank J. Knight the first of the week and after a self-dumping arrangement was attached by H. D. Kemme, the blacksmith, it was put into service. Frank has built a garage for the machine on the easterly side of the fire hall at Balboa.

Thomas V. Longmore, proprietor of the National Meat Market, is arranging to put in a complete stock of staple groceries. New shelves are being installed to make room for the additional stock.

Mrs. Glenn Helms, who was injured last week by a fall and was taken to the Anaheim Sanitarium, had improved to such an extent that she was able to be brought home Sunday. She is being cared for by Mrs. Noland.

George Pollard and Sears Hazen of Balboa have decided to go into the dry cleaning business and will open up a business to make old suits new again, about the middle of May. In the meantime suits or orders can be left at the Pavilion billiard parlor or W. J. Mills' barber shop. Both of these young men are well known, and being industrious and energetic will undoubtedly have all they can do in this line of work.
